Approved

II. New Business

A. Program revision guidelines

The committee discussed the necessity of implementing either an official UAC form or guidelines for program revisions. Committee members agreed that a form is not necessary but that all program revisions submitted to UAC should include a description of the change and a rationale for the change according to the existing assessment plan. The committee also discussed if proposals for new locations of an existing program should be reviewed by UAC. UAC chair Jay Brewster will discuss this with the provost and add it as an agenda item for the next UAC meeting.

III. New Business--Action Items. The following proposal (III. A. 3-32, B. 1, C. 10, D. 1) marked as a double-underscored number, may be voted on as **Consent Agenda.***
