

Contract Review Summary Form

The University policy is for the General Counsel (GC) to review contracts over \$50,000 or those that present significant or unique risk to the University. Departments may obtain a "Tips for Reviewing Contracts Under \$50,000" to assist in review of agreements that do not meet these requirements. [The General Counsel requires at least two weeks for review and comment.](#) The department submitting the contract is generally responsible for negotiating any changes.

Please provide the information requested below, along with an electronic copy of the contract where possible, when submitting the contracts for review to the GC. Your answers to these questions will help us to better serve you. Please return via email or facsimile to ext. 4748 as soon as possible.
