Helpful Resources

Using Wavenet:

WaveNet is a tool that students can use to access academic resources. Take a moment to update your address and telephone number under *My Information* in your Student Center so you can be notified in the case of an emergency. Visit www.pepperdine.edu and clicking the link that says *WaveNet* at the top right of your browser.

Student ID Cards:

All students and faculty are issued an identification card which should be carried at all times. You can either add money to it for the cafeteria, print in the computer lab, or use campus facilities.

Visit www.community.pepperdine.edu and click on *Information Technology > Services > ID Cards*

Parking Permits

Get a parking permit so you can park on campus and avoid getting a ticket. Go to the parking site to register your car and acquire a permit
