A Tribute Video for Dr. Owen Hall

Dr. Owen Hall was such a valued pillar amongst the Business Schools community and left long lasting impressions on all that he came in contact with. Hearing the many stories about the life lessons, jokes, and thoughtful gestures he bestowed on this community has brought comfort to his family and friends.

We would like to formally capture these special memories, through photo, written message or video, to be included in a tribute video and shared at the upcoming September 14, 2021 Full Time Faculty Meeting. Your [SUBMISSIONS](#) would be valued and appreciated if received by **August 31, 2021**.

Hiring/Rehiring Research Assistants (Fall 2021)

The application period to request a research assistant (RA) for the Fall 2021 term will open on July 26th. Applications will be accepted until August 6th. As a reminder, RA's will need to be hired/rehired each term. Following this procedure will ensure equitable resource allocation for all faculty research.

ALL current RA assignments are due to end on August 13th. If you wish to rehire a currently employed RA and do not want a disruption in their employment, please complete the application by the deadline.
