Keynote Address at CAHR22 Conference

Mark Allen

Practitioner of Organization Theory and Management

[Watch the Keynote Address](#)

This past May, Dr. Mark Allen gave a keynote address at the CAHR22 conference in Anaheim, CA. The keynote, titled "The Hard Truth About Retention: Are You Willing to Do What it Takes to Retain Your Best Employees?", detailed strategies for retaining top talent in the workplace amid a labor shortage, a skills shortage, the Great Resignation, and the mass exodus of Baby Boomers from the workforce.

Congratulations to Dr. Allen for this honorable achievement!

Cheers for Peers

We invite you to submit a ["Cheers for Peers"](#) to acknowledge a colleague that has gone above and beyond the call of duty. In the spirit of "giving each other flowers" continuously, we hope that you consider expressing your gratitude with "cheers"!
