Tuition that is covered by Company Reimbursement will be deferred until the end of the term according to the following due dates:
Fall Trimester- January 15th, Spring Trimester- May 15th, and Summer Trimester- September 15th.

- For students reimbursed for tuition by their employers, the University will allow a deferral of payment after deduction of any financial aid funds assistance. All financial aid funds are applied to tuition charges and fees first. Funds cannot be released until all institutional charges are paid. If financial aid funds do not cover full tuition, the remaining balance can be deferred under the company reimbursement payment plan.
- Students should also be aware that the receipt of financial aid may affect eligibility for tuition reimbursement from their company. It is the students' responsibility to review and understand their company policy regarding company reimbursement. Invoices provided to students by Student Accounts will reflect grants and/or scholarships received.
- If the company reimburses less than 100% of the total tuition, the student must pay the portion not eligible for deferment in full or sign up for the Two or Three Payment Plan Option. Payments must be made according to payment plan option due dates.
- Regardless of the company reimbursement, the student is responsible for payment of the deferred amount to the University by the due date. Missing a deadline may revoke the privilege of using the Company Reimbursement Payment Plan Option at future registrations. Payment must be received by the Student Accounts Office on or before the due dates to avoid a nonrefundable \$50 late payment fee and finance charges at .027% per day on any unpaid balance. All other payment policies of the Academic Catalog remain in effect.
- The Company Reimbursement form must be renewed annually by submitting a new form to the Student Accounts Office prior to January 1 each year. A new form is also required if the student changes place of employment, experiences a change in company policy, withdraws, or does not enroll for a trimester.
- Students may not use the Company Reimbursement Payment Plan Option if they are the owners of or majority stockholders in the companies from which they seek reimbursement.

I have read and agree to the aforementioned payment agreement and hereby give my consent to the Office of Student Accounts to release information to and discuss my student account with my employer:
