

【PPDCSSA】 On-Campus Job Fair

On Nov.13th, it was a remarkable day for all the Chinese students at Pepperdine, as Pepperdine CSSA & CSA cooperate with Job China USA hosted the on-campus Job Fair.

Six companies had face-to face interviews and were able to give offers right away! (ICBC, Universal Processing company, Job China USA, Lulu trip, AmGreen, and CACS) It was a great chance for students who want to stay in the U.S and get H1B. It was also an opportunity for students to know the process of interviews. We saw many people wore business professional and waited for this interview.

Even though there were so many people for interview, everyone stood in the line and waited in the order. There were six round tables that had representatives from six companies. Each group of students could choose the companies based on their preferences. There were 3-4 interviewers in each table, and some of them spoke Chinese. Each student felt very comfortable to talk and free to ask questions. The interview process took about 25 to 30 minutes, and everyone seemed happy and confident after the interview.

While people were waiting for the interview, CSSA prepared lucky draw for attenders. Additionally, we also provided gifts for our students!

On behalf of CSSA, we want to thank everyone to attend this event! The job fair was so successful because of every attender. Good luck on the rest of your career searching and academic year!
