

# SWCSSA Mid-Autumn Festival Fair Has Been Crowned with Complete Success

On October 3rd 2015, Southwestern Chinese Students and Scholars Association (SWCSSA) in United States held the 2015 Mid-Autumn Festival Fair in William R. Mason Regional Park, Irvine. It is the biggest event that Chinese students held in the Southwestern area in 2015. Pepperdine CSSA, as the member of SWCSSA, organized as a group rapidly and attended this party with acclaim.

The Consulate General of China in Los Angeles guided 2015 Mid-Autumn Festival Fair, while it was organized by SWCSSA. There were more than 20 CSSA delegations of SWCSSA and nearly 20 Southern California cultural groups attended this festival. There were many traditional Chinese activities like tasting the moon cakes, writing couplets, and guessing the riddles. Students also showed their community cultures, people shared their career plans, popular musicians performed music, and everyone was involved in Carnival games and sweepstakes.

Pepperdine CSSA's Student representative, Qianying Zhou, came to the stage and throw the school mascot. She also had pictures with the vice Consul-General of China in Los Angeles Embassy Lei Wang, Counselor Dong Yuan and student representatives from other SWCSSA members to mark this occasion.
