

How to Make Your International Payment with Flywire

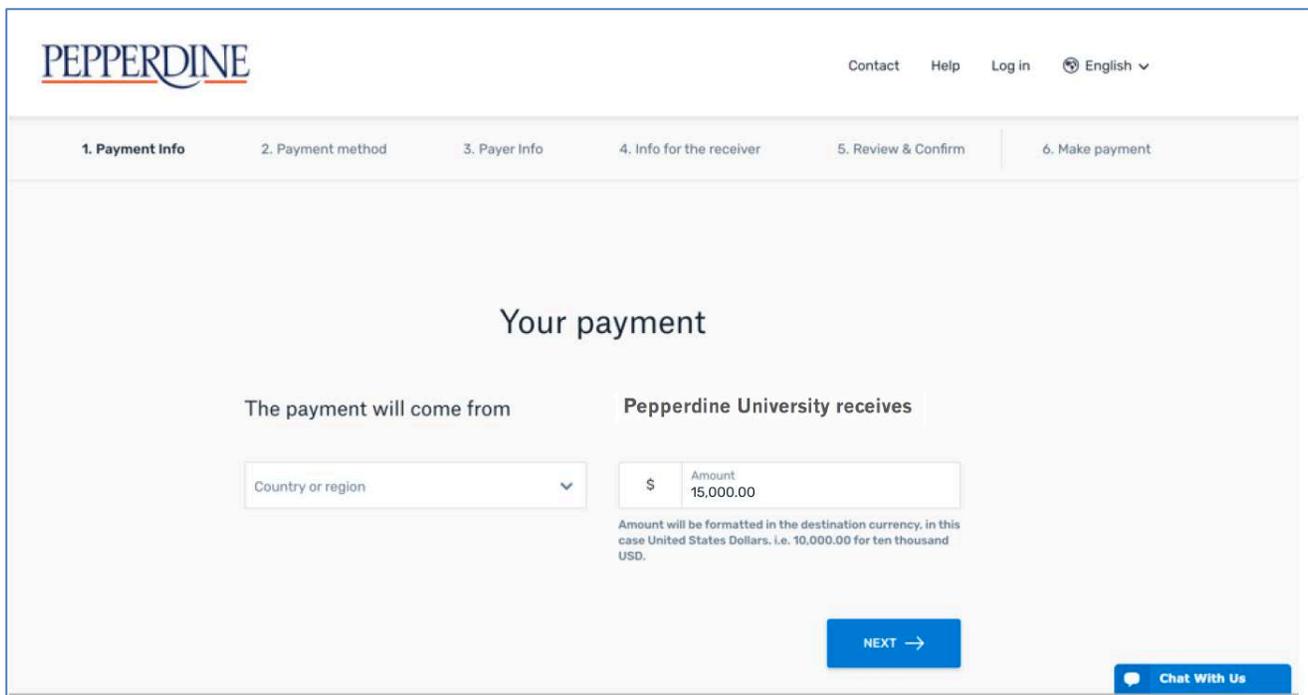

Step 1: Access your bill/balance due in WaveNet

- Log into **WaveNet** and click the **Finances** button to access your account information.
- To determine how much to pay:
 - o Review your **Charges Due** link for the outstanding balance amounts and due dates, located in the Account Summary section.
 - o If you are receiving financial aid, you may also want to review the **Pending Aid** link, for any aid not yet posted for the term. NOTE: You cannot use future term aid to pay a current term balance.
 - o Subtract the pending aid for the term from the balance due, for the remaining amount you will be responsible to pay.
- Click on the **"Make A Payment Online"** button located in the upper right hand corner of the Account Summary page.
- Enter the dollar amount you want to pay.
- At Select Method of Payment, click on the **International Payment – Flywire** option.

The screenshot displays the 'Student Account Online Payments' interface. At the top, there is a navigation bar with links for 'Your Account', 'Make a Payment', 'Current Transaction', 'Help', and 'Exit'. Below this is the Pepperdine University logo with the tagline 'Strengthening Lives for Purpose, Service, and Leadership'. The main heading is 'Student Account Online Payments'. The primary section is 'Select Method of Payment', which contains two sub-sections: 'Saved Payment Methods' and 'New Payment Methods'. Under 'Saved Payment Methods', there is a dropdown menu currently showing 'Reina Test (Checking account ending in 6789)'. Under 'New Payment Methods', there are two radio button options: 'eCheck (Checking and savings accounts. No service charge)' and 'International Payment - Flywire'. The 'International Payment - Flywire' option is selected. Below this selection, there is a paragraph of text explaining that international payments are processed by Flywire, and that user information will be shared with Flywire, governed by their privacy policy. At the bottom right of this section is a 'Continue Checkout' button. At the very bottom of the page, there is a small link for 'Use of Personal Information (web0e-7dc4)'.

Step 2: Select your country

- Choose the country where the payment is being sent from, using the drop-down menu.
- Click *Next*.

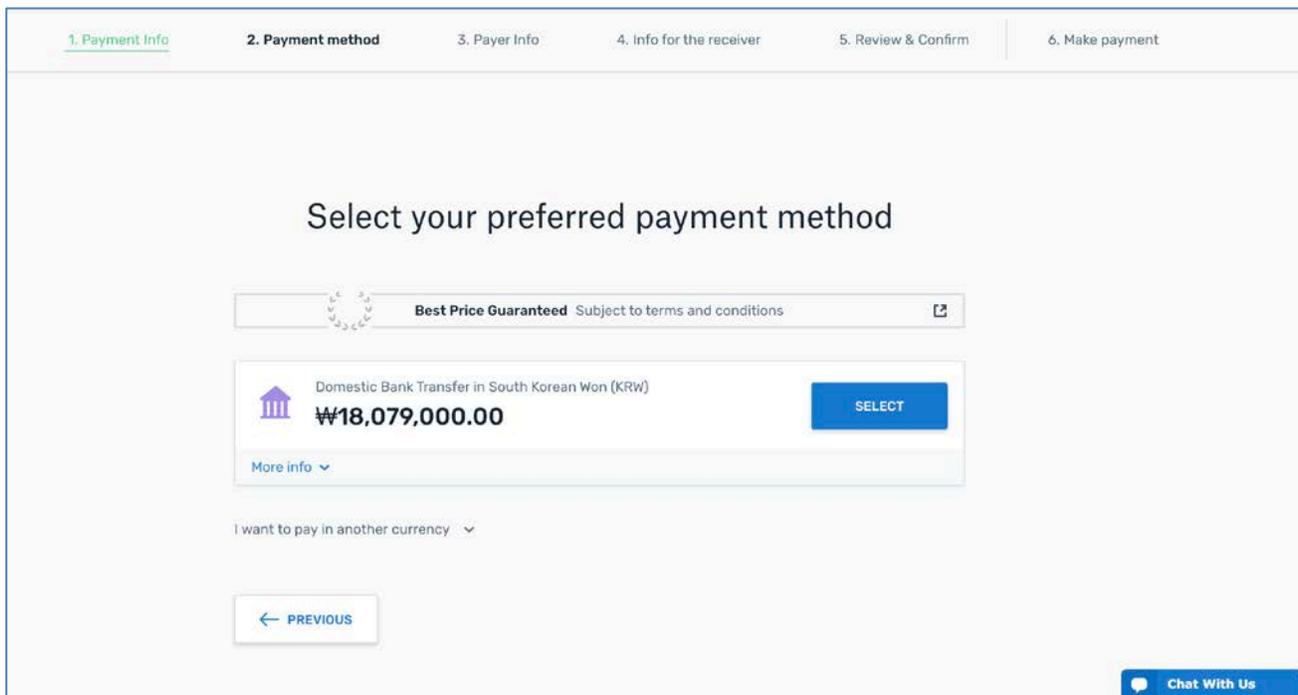

The screenshot displays the Pepperdine University payment portal. At the top left is the PEPPERDINE logo. To the right are links for Contact, Help, Log in, and a language dropdown set to English. Below the logo is a progress bar with six steps: 1. Payment Info (active), 2. Payment method, 3. Payer Info, 4. Info for the receiver, 5. Review & Confirm, and 6. Make payment. The main content area is titled "Your payment" and is divided into two columns. The left column, "The payment will come from", contains a dropdown menu labeled "Country or region". The right column, "Pepperdine University receives", shows a currency symbol "\$" and an amount of "15,000.00". Below the amount, a note states: "Amount will be formatted in the destination currency, in this case United States Dollars, i.e. 10,000.00 for ten thousand USD." At the bottom right of the form is a blue "NEXT →" button, and in the bottom right corner of the page is a "Chat With Us" button.

Step 3: Select your payment method

Based on your country selection, Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer, online bank transfer or other available online payment methods for that particular country.

Please note that for traditional bank transfer payments, you will need to make arrangements with your bank (in person, online, or over the phone) and send your funds to Flywire in your chosen currency in order to complete the payment.

If you select your home country, but you don't see your home currency, don't worry — you can always pay in the currency of your institution or select a different currency by clicking the "I want to pay in another currency" link at the bottom of the page. Although the process and benefits will remain the same, your bank will handle the foreign exchange before sending the funds to Flywire.

The screenshot shows a multi-step payment process. At the top, a progress bar includes steps: 1. Payment Info, 2. Payment method (active), 3. Payer Info, 4. Info for the receiver, 5. Review & Confirm, and 6. Make payment. The main heading is "Select your preferred payment method". Below this is a "Best Price Guaranteed" banner with a link icon. The primary option is "Domestic Bank Transfer in South Korean Won (KRW)" with a bank icon, the amount "₩18,079,000.00", and a blue "SELECT" button. A "More info" dropdown is below. At the bottom, there is a link "I want to pay in another currency" and a "PREVIOUS" button. A "Chat With Us" button is in the bottom right corner.

Step 4 : Enter the payer's information

- Enter the payer's personal details and contact information.
 - o **You may disregard the popup inviting you to create an account with Flywire (red arrow), as it is not required. However, should you choose to create a Flywire account to track your payments, just be aware that a separate password will be required to access this information.**
- Agree to Flywire's terms and conditions by checking the box at the bottom of the form.
- Click *Next* to continue

1. Payment Info 2. Payment method 3. Payer Info 4. Review & Confirm 5. Make payment

Payer information

Email: irizescu@gmail.com First name: []

Create an account in a second to keep track of your payment.
