REGISTERED MALIBU STUDENTS-

All registered students on the Malibu campus are required to carry medical health insurance. All registered Malibu students will be automatically enrolled in the Pepperdine-sponsored Student Health Insurance Plan (SHIP) unless they choose to submit an online insurance waiver of comparable coverage. Students are required to submit a waiver once per academic year to opt out of the student health insurance plan. All student accounts will be charged the Student Health Insurance Fee for the Fall and Spring/Summer term unless an approved waiver is submitted before the waiver deadline.

All students who have the student health insurance plan during Spring/Summer term 2017, will be covered until 11:59 pm on August 14th, 2017, regardless of summer credit hours. This means that if you have paid the Spring/Summer combined charge, you will have continuous coverage throughout the Summer term, regardless of taking classes or traveling. Students who graduate in the Fall term and their eligible dependents may enroll in a single term of continuation of coverage. The same plan benefits, premium and provisions apply. Students must enroll within 30 days of termination of the Student Health Insurance Plan and the entire continuation term requested must be paid in advance.

No renewal of Continuation Benefits will be permitted. For enrollment and plan/rate information, contact Wells Fargo Student Insurance at (800) 853-5899.

Straus Institute Dispute Resolution students: please check with The Straus Institute for insurance requirements.

Eligible students who have a change in status and involuntarily lose coverage under another group insurance plan are also eligible to purchase the SHIP. These students must provide Wells Fargo Student Insurance proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of the date the student enrolls and pays the premium or the day after prior coverage ends. To be eligible for the SHIP, students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, internet and television (TV) courses do not fulfill the Eligibility requirements that the students actively attend classes. If it is discovered that this Eligibility requirement has not been met, our only obligation is to refund premium, less any claims paid.

Dependent Coverage

Note: dependent enrollment in this plan is on a voluntary basis. Eligible Insured Students may also purchase Dependent coverage at the time of student’s enrollment in the plan, or within 31 days of one of the following qualified events: marriage, birth, adoption, or arrival in the U.S. Eligible dependents are the spouse/domestic partner (same or opposite sex) who resides with the Insured Student and children under 26 years of age. Dependents of an Eligible International student must possess a valid passport and a proper visa (F-2, J-2, or M-2).

A “Newborn” will automatically be covered for Injury or Sickness from birth until 31 days old, providing that the student is covered under this plan. Coverage may be continued for that child provided payment of the additional premium is made. To purchase coverage for dependents, Insured must enroll them either at the same time of completing the online enrollment or by contacting Wells Fargo Student Insurance at (800) 853-5899.

Dependents must be enrolled for the same term of coverage for which the Insured Student enrolls. Dependent coverage expires concurrently with that of the Insured Student, and Dependents must re-enroll when coverage terminates to maintain coverage. If a dependent child who is over 26 years of age and enrolled as a full-time student takes a medical leave of absence during the school year, the plan will not terminate for a period of 12 months, or the date on which coverage is planned to terminate, whichever comes first.

INSURANCE WAIVER INFORMATION

IF YOU HAVE INSURANCE that is comparable to the Pepperdine University Student Health Insurance Plan offered through a different insurance company (i.e. through an employer, spouse, parent/guardian, scholarship, etc.), and DO NOT want to take part in this Pepperdine SHIP Plan, you must complete the online waiver process by the Waiver Deadline or your student account will be charged. Students only need one approved waiver per academic year (8/15/16 - 8/14/17). Students who are entering in the Spring term must submit a waiver by the Spring waiver deadline date and, if attending the following school year, will also be required to submit a new waiver in the Fall.

IF YOU DO NOT HAVE INSURANCE no action is required. You will automatically be enrolled in the Pepperdine University Anthem Student Policy each term you are eligible, (Fall and Spring/Summer), and your student account will be charged. For more information and links to the waiver, visit: http://community.pepperdine.edu/healthcenter/insurance.

- The Master Policy effective date;
- The beginning date of the term for which premium has been paid;

**IMPORTANT NOTICE** - Premiums will not be pro-rated if the Insured enrolls past the first date of coverage for which he or she is applying. Final decisions regarding coverage effective dates are made by Anthem Blue Cross Life and Health.

The below enrollments will be allowed a **30 day** grace period from the term start date to enroll whereby the effective date will be backdated a maximum of **30 days**. No policy shall ever start prior to the term start date:

1. All hard-waiver and mandatory (insurance is required as a condition of enrollment on campus) insurance programs.
2. All voluntary enrollments processed within **30 days** from the start of the term.

WHEN COVERAGE ENDS

Insurance of all Insured Persons terminates at 11:59 p.m. on the earlier of:

- Date the Master Policy terminates for all Insured Persons; or
- End of the period of coverage for which premium has been paid; or
- The start of the term if the Insured Person ceases to be eligible for the insurance; or
- Date the Insured Person enters military service.

Dependent coverage will not be effective prior to that of the Insured Student or extend beyond that of the Insured Student.

PREMIUM REFUND/CANCELLATION

Refund requests should be directed to Wells Fargo Student Insurance at (800) 853-5899 or via email at studentinsurance@wellsfargo.com.

A refund of premium will be granted for the reasons listed below only. No other refunds will be granted.

1. If you withdraw from school within the first **45 days** of the coverage period, you and your insured dependents will receive a full refund of the insurance premium provided that you and your insured dependents did not file a medical claim during this period. Written proof of withdrawal from the school must be provided. If you withdraw after **45 days** of the coverage period, your and your insured dependents coverage will remain in effect until the end of the term for which you have paid the premium.

2. If you or your insured dependents enter the armed forces of any country you and your insured dependents will not be covered under the Master Policy as of the date of such entry. If you enter the armed forces the policy will be cancelled. If your dependent enters the armed forces, a pro-rata refund of premium will be made for such person, upon written request received by Wells Fargo Student Insurance within **45 days** of entry into service.

3. Refunds will be granted for insured dependents in case of a qualifying event such as legal separation, divorce or death within **31 days** of the occurred event, provided that your insured dependents did not file a medical claim during the insured period. Written proof of such qualifying event must be submitted. Refunds will not be prorated.

INSURANCE PAYMENTS WITH PERSONAL CHECK

(Note: personal checks are not always a payment option. Please check your school’s enrollment form for available payment options.) If you make your or your dependents’ insurance payment via personal check payable to Wells Fargo Student Insurance and we are unable to process the check (due to insufficient funds, closure of account, etc.), your and your dependents insurance coverage will be terminated retroactive to the effective date of the enrolled term.
WHERE DO I GO FOR CARE?
STUDENT HEALTH CENTER (SHC) 
REFERRAL REQUIREMENT

Malibu Campus students must use the resources of the Student Health Center (SHC) first where treatment will be administered or referral issued. Expenses incurred for medical treatment rendered outside of the SHC for which no prior approval or referral is obtained are excluded from coverage.

The SHC Referral Requirement does not apply to:
- Dependents are not eligible to use the SHC and therefore are exempt from SHC requirements.

A SHC referral for outside care is not necessary only under the following conditions:
1. Medical emergency. NO referral is necessary for follow-up care if referred by the Emergency Room Physician;
2. When the SHC is closed;
3. When service is rendered at another facility during break or vacation periods;
4. Medical care received when the student is more than 30 miles from campus.
5. Medical care obtained when a student is no longer able to use the SHC due to a change in student status (i.e. students who graduated)
6. Ob/Gyn visits.

BENEFITS AVAILABLE AT THE SHC ONLY

Following is a list of benefits that are covered at the SHC only. If you receive these services out of the SHC, they will NOT be covered by your student insurance plan.

**WITHDRAWAL FROM SCHOOL**

If you leave Pepperdine University for reason of a covered accident or sickness, you will be eligible for continued coverage under this Plan for only the first term immediately following your leave, provided you have approval by your school and any applicable regulatory authority, and you were enrolled in this Plan for the term previous to your leave. Enrollment must be initiated by the student and is not automatic. All applicable enrollment deadline dates apply. You must pay the applicable insurance premium. Please contact Wells Fargo Student Insurance at (800) 853-5899 regarding continuation of coverage.

**CREDIBLE COVERAGE**

*CREDIBLE COVERAGE* means any individual or group plan that provides medical, hospital, and surgical coverage, including continuation or conversion coverage, coverage under Medicare or Medicaid, TRICARE, the Federal Employees Health Benefit Plan, programs of the Indian Health Services or of a tribal organization, a state health benefits risk pool, coverage through the Peace Corps, the State Children's Health Insurance Program, or a public health plan established or maintained by a state, the United States government, or a foreign country. Credible coverage does not include accident only, credit, coverage for onsite medical clinics, disability income, coverage only for a specified disease or condition, hospital indemnity or other fixed indemnity insurance, Medicare supplement, long-term care insurance, dental, vision, workers’ compensation insurance, automobile insurance, no-fault insurance, or any medical coverage designed to supplement other private or governmental plans. Credible coverage is used to set up eligibility rules for children who cannot get a self-sustaining job due to a physical or mental condition.

**CONTINUOUS COVERAGE**

This Plan may be replacing a Prior Plan with another insurer. Prior Plan means (a) the SHIP or policies issued to Pepperdine immediately before the current Policy; (b) other policies providing Credible Coverage as defined in this Plan. Injury or Sickness shall include an Injury sustained, or a Sickness first manifesting itself, while the Insured Person is continuously insured under the Prior Plan and became insured under this Plan without a break in coverage. But no benefits shall be payable for such Injury or Sickness to the extent that such benefits are payable under the Prior Plan for the same expenses. This will apply even though the Prior Plan provided that it will not duplicate the benefits under another Policy. Also, the total amount of benefits payable for Injury or Sickness under this Plan and the Prior Plan cannot exceed the Per Benefit Year Maximum.

**ID CARDS**

Medical ID cards may be shipped within 3 weeks of your policy effective date. New ID cards will not be sent if you are renewing coverage with Anthem Blue Cross Life and Health and there are no benefit changes between plan years. Providers need your Member ID Number from your ID card to identify you, verify your coverage and bill Anthem Blue Cross Life and Health. If you need to seek medical treatment prior to receiving your ID card, please call Wells Fargo Student Insurance at (800) 853-5899 to obtain your Member ID Number. Renewing students will maintain the same Member ID Number. Without a Member ID Number you can still seek medical treatment and submit a claim form for reimbursement.

**PPO PRUDENT BUYER NETWORK**

Please read the following information so you will know from whom or what group of providers health care may be obtained. Covering all California ZIP codes, the Prudent Buyer network is the most geographically extensive PPO network in the state. The suitcase icon on your Medical ID card indicates that this plan can be used outside of California. The PPO network allows Insureds easy access to a wide range of medical providers. Insureds have the option to receive care from a provider who is not participating in the PPO network. The trade-off is higher out-of-pocket expenses.

Participating providers (PPO Providers) agree to provide services to covered persons at discounted rates as payment in full. This is the incentive for Insureds to use PPO providers and protects them from being balance-billed (except for coinsurance, co-payments and deductible amounts). Providers working within a PPO facility (example: a hospital) may not always be PPO providers. You should request that all of your provider services be performed by a PPO Provider when you use a PPO facility. When Non-PPO providers are used, you may be subject to higher out-of-pocket expenses.

Additionally, PPO physicians agree to admit their patients to network hospitals, guaranteeing that discounted charges and utilization management savings will occur. With no claim forms to file, Insureds can focus on their health, not paperwork. Insureds can find a PPO physician in their area by calling Anthem at (855) 296-0864, or by accessing the “Find a Doctor” link on www.anthem.com/ca.
IMPORTANT NOTICE

This is just a brief description of your benefits. For information regarding the full Master Policy (which includes plan benefits, exclusions and limitations, and information about refund requests, how to file a claim, mandated benefits and other important information) please call Anthem Blue Cross Life and Health Insurance Company at 800-888-2108 or call Wells Fargo Student Insurance at 800-853-5899. You will be able to obtain a copy of the full Master Policy as soon as it is available.

If any discrepancy exists between this Benefit Summary and the Policy, the Master Policy will govern and control the payment of benefits.

IMPORTANT! READ THIS FIRST

Malibu Campus students must use the resources of the Student Health Center (SHC) first where treatment will be administered or referral issued. Expenses incurred for medical treatment rendered outside of the SHC for which no prior approval or referral is obtained are excluded from coverage.

The SHC will diagnose and treat most illnesses and injuries, and provide a referral, when necessary, to a PPO or non-PPO provider (see benefits listed below). Referrals are made at the sole and absolute discretion of the SHC. The referral does not constitute a guarantee of payment; the services must be medically necessary and a covered benefit under this plan.

If the insured student receives medical care without a referral, the expenses will not be covered. For exceptions of this requirement, please refer to page 2. Insured dependents are not eligible to use the SHC. The benefits listed below are available to the insured dependents. The coverage under this policy is secondary coverage to all other policies.

In addition to dollar and percentage copays, insured persons (students & dependents) are responsible for deductibles, as described below. Please review the deductible information to know if a deductible applies to a specific covered service. Insured persons are also responsible for all costs over the plan maximums. Benefits are subject to all terms, conditions, limitations, and exclusions of the Master Policy.

INSURANCE PLAN SCHEDULE OF BENEFITS

Explanation of Covered Charges

Plan payments are based on covered expense, which is the lesser of the charges billed by the provider or the following:

PPO Providers — The rate the provider has agreed to accept as reimbursement for covered services. Insured person’s are not responsible for the difference between the provider’s usual charges and the maximum allowed amount.

Non-PPO Providers & Other Health Care Providers (includes those not represented in the PPO provider network) — Reimbursement amount is based on the Insurer’s rate or fee schedule, a rate negotiated with the provider, information from a third party vendor, or billed charges. Insured persons are responsible for the difference between the provider’s usual charges and the maximum allowed amount.

DEDUCTIBLE DOES NOT APPLY TO SERVICES RECEIVED FROM THE PEPPERDINE STUDENT HEALTH CENTER, OUTPATIENT PHYSICIAN VISITS, MEDICAL EMERGENCIES, OR PRESCRIPTION DRUGS.

All copays are due at time of visit and are in addition to the plan deductible.

Benefit year deductible for all providers ................................................................. $150/insured person
Deductible for non-PPO hospital, residential treatment center or ........................................ $500/admission (waived for emergency admission)
ambulatory surgical center if utilization review not obtained
Deductible for emergency room services ........................................................................ $100/visit (waived if admitted directly from ER)

Annual Out-of-Pocket Maximums

PPO Providers & Other Health Care Providers ................................................................. $6,350/insured person per year
Non-PPO Providers .................................................................................................. $20,000/insured person per year

The following do not apply to out-of-pocket maximums: non-covered expense. After an insured person reaches the out-of-pocket maximum, the insured person no longer pays copays for the remainder of the year.

Lifetime Maximum .................................................................................................. Unlimited

STUDENT ACCIDENTAL DEATH AND DISMEMBERMENT INSURANCE

The plan pays benefits for loss of an insured student’s life, sight, hand, or foot caused by accidental bodily injury. The amount payable depends on the type of the loss. The most that will be paid for all losses resulting from injuries sustained by a student in any one accident is the amount of insurance.

Amount of Insurance ............................................................................................. $10,000

MANDATED BENEFITS

The following benefits are mandated coverages in the state of California. They will be included in all School plans issued under the Master Policy. Unless specified otherwise, all such coverage will be subject to any deductible, co-payment and coinsurance conditions of the Plan, as well as all other terms and conditions applicable to any other Covered Sickness.

Mandated benefits as required by the state in which the Master Policy is issued include: PKU Treatment Benefit; Hospital Dental Procedures; Mastectomy-Reconstructive Surgery and Rehabilitation; Laryngectomy-Prosthetic Devices; Osteoporosis Benefit; Experimental or Investigational Therapies Treatment; Diabetes Equipment, Supplies and Service; Severe Mental Illness Treatment Benefit, which is a separate benefit from Mental and Nervous Disorders; and Pervasive Developmental Disorder or Autism. For information regarding the full Master Policy (which includes plan benefits, exclusions and limitations, and information about refund requests, how to file a claim, mandated benefits and other important information) please call Anthem Blue Cross Life and Health Insurance Company at 800-888-2108 or call Wells Fargo Student Insurance at 800-853-5899. REIMBURSEMENTS FOR ACTS OF THIRD PARTIES

Under some circumstances, an insured person may need services under this plan for which a third party may be liable or legally responsible by reason of negligence, an intentional act or breach of any legal obligation. In that event, the insurer will provide the benefits of this plan subject to the following:

1. The Insurer will automatically have a lien, to the extent of benefits provided, upon any recovery, whether by settlement, judgment or otherwise, that you receive from the third party, the third party’s insurer, or the third party’s guarantor. The lien will be in the amount of benefits the Insurer has paid under this plan for the treatment of the illness, disease, injury or condition for which the third party is liable.

2. You must advise the Insurer in writing, within 60 days of filing a claim against the third party and take necessary action, furnish such information and assistance, and execute such papers as the Insurer may require to facilitate enforcement of their rights. You must not take action which may prejudice the insurer’s rights or interests under your plan. Failure to give the Insurer such notice or to cooperate with the Insurer, or actions that prejudice the Insurer’s rights or interests will be a material breach of this plan and will result in your being personally responsible for reimbursing the Insurer.

3. The Insurer will be entitled to collect on their lien even if the amount you or anyone recovered for you (or your estate, parent or legal guardian) from or for the account of such third party as compensation for the injury, illness or condition is less than the actual loss you suffered.

EXCESS COVERAGE

The Insurer will reduce the amount payable under the Plan to the extent expenses are covered under any Other Plan. The Insurer will determine the amount of benefits provided by Other Plans without reference to any coordination of benefits, non-duplication of benefits, or other similar provisions. The amount from Other Plans includes any amount to which the Insured Person is entitled, whether or not a claim is made for the benefits. The Plan is secondary coverage to all other policies.

ARBITRATION AGREEMENT

Any dispute or claim, of whatever nature, arising out of, in connection with, or in relation to this plan or the Master Policy or breach or rescission thereof, or in relation to care or delivery of care, including any claim based on contract, tort, or statute, must be resolved by arbitration if the amount sought exceeds the jurisdictional limit of the small claims court. Any dispute or claim within the jurisdictional limits of the small claims court will be resolved in such court.

The Federal Arbitration Act will govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision.

The insured person and Anthem Blue Cross Life and Health Insurance Company agree to be bound by this Binding Arbitration provision and acknowledge that they are each giving up their right to a trial by court or jury.

The insured person and Anthem Blue Cross Life and Health Insurance Company agree to give up the right to participate in class arbitration against each other.

The arbitration findings will be final and binding except to the extent that California or Federal law provides for the judicial review of arbitration proceedings.

The arbitration is begun by the insured person making written demand on Anthem Blue Cross Life and Health Insurance Company. The arbitration will be conducted by Judicial Arbitration and Mediation Services (“JAMS”) according to its applicable Rules and Procedures. If, for any reason, JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by mutual agreement of the insured person and Anthem Blue Cross Life and Health Insurance Company, or by order of the court, if the insured person and Anthem Blue Cross Life and Health Insurance Company cannot agree. The arbitration shall be held in the State of California.

Information that's important to you: Every year, we're required to send you specific information about your rights, your benefits and more. This can use up a lot of trees, so we’ve combined a couple of these required annual notices. Please take a few minutes to read about:

- State notice of privacy practices
- HIPAA notice of privacy practices
- Breast reconstruction surgery benefits

Want to save more trees? Go to anthem.com/ca and sign up to receive these types of notices by e-mail.

State notice of privacy practices: As mentioned in our Health Insurance Portability and Accountability Act (HIPAA) notice, we must follow state laws that are stricter than the federal HIPAA privacy law. This notice explains your rights and our legal duties under state law. This applies to life insurance benefits, in addition to health, dental and vision benefits that you may have.

Your personal information: We may collect, use and share your nonpublic personal information (PI) as described in this notice. PI identifies a person and is often gathered in an insurance matter. We may collect PI about you from other persons or entities, such as doctors, hospitals or other carriers. We may share PI with persons or entities outside of our company — without your OK in some cases. If we take part in an activity that would require us to give you a chance to opt out, we will contact you. We will tell you how you can let us know that you do not want us to use or share your PI for a given activity. You have the right to access and correct your PI. Because PI is defined as any information that can be used to make judgements about your health, finances, character, habits, hobbies, reputation, career and credit, we take reasonable safety measures to protect the PI we have about you. A more detailed state notice is available upon request. Please call the phone number printed on your ID card.

HIPAA notice of privacy practices: This notice describes how health, vision and dental information about you may be used and disclosed, and how you can get access to this information with regard to your health benefits. Please review it carefully. We keep the health and financial information of our current and former members private, as required by law, accreditation standards and our rules. This notice explains your rights. It also explains our legal duties and privacy practices. We are required by federal law to give you this notice.

Your Protected Health Information: We may collect, use and share your Protected Health Information (PHI) for the reasons mentioned in this notice and others as allowed or required by law, including the HIPAA Privacy rule:

For payment: We use and share PHI to manage your account or benefits; or to pay claims for health care you get through your plan.

For health care operations: We use and share PHI for our health care operations.

For treatment activities: We do not provide treatment. This is the role of a health care provider, such as your doctor or a hospital. For example: we keep information about your premium and deductible payments; We may give information to a doctor’s office to confirm your benefits; We may share explanation of benefits (EOB) with the subscriber of your plan for payment purposes; We may share PHI with your health care provider so that the provider may treat you; We may use PHI to review the quality of care and services you get; We may also use PHI to provide you with case management or care coordination services for conditions like asthma, diabetes or traumatic injury; We may also use and share PHI directly or indirectly with health information exchanges for payment, health care operations and treatment purposes; We do not want your PHI to be shared for payment, health care operations or treatment purposes in health information exchanges, please visit www.anthem.com/ca for more information.

To your: We must give you access to your own PHI. We may also contact you to let you know about treatment options or other health-related benefits and services. When you or your dependents reach a certain age, we may tell you about other products or programs for which you may be eligible. This may include individual coverage. We may also send you reminders about routine medical checkups and tests.

To others: In most cases, if we use or disclose your PHI outside of treatment, payment, operations or research activities, we must get your OK in writing first. We must receive your written OK before we can use your PHI for certain marketing activities. We must get your written OK before we sell your PHI. If we have them, we must get your OK before we disclose your provider’s psychotherapy notes. Other uses and disclosures of your PHI not mentioned in this notice may also require your written OK. You always have the right to revoke any written OK you provide. You may tell us in writing that it is OK for us to give your PHI to someone else for any reason. Also, if you are present and tell us it is OK, we may give your PHI to a family member, friend or other person. We would do this if it has to do with your current treatment or payment for your treatment. If you are not present, if it is an emergency, or you are not able to tell us it is OK, we may give your PHI to a family member, friend or other person if sharing your PHI is in your best interest.

As allowed or required by law: We may also share your PHI, as allowed by federal law, for many types of activities. PHI can be shared for health oversight activities. It can also be shared for judicial or administrative proceedings, with public health authorities, for law enforcement reasons, and with coroners, funeral directors or medical examiners (about decedents). PHI can also be shared with organ donation groups for certain reasons, for research, and to avoid a serious threat to health or safety. It can be shared for special government functions, for Workers’ Compensation, to respond to requests from the U.S. Department of Health and Human Services, and to alert proper authorities if we reasonably believe that you may be a victim of abuse, neglect, domestic violence or other crimes. PHI can also be shared as required by law. If you are enrolled with us through an employer-sponsored group health plan, we may share PHI with your group health plan. We and/or your group health plan may share PHI with the sponsor of the plan. Plans that sponsor receive PHI are required by law to have controls in place to keep it from being used for reasons that are not proper. If your employer pays your premium or part of your premium, but does not pay your health insurance claims, your employer is not allowed to receive your PHI — unless your employer promises to protect your PHI and makes sure the PHI will be used for legal reasons only.

Authorization: We will get an OK from you in writing before we use or share your PHI for any other purpose not stated in this notice. You may take away this OK at any time, in writing. We will then stop using your PHI for that purpose. But, if we have already used or shared your PHI based on your OK, we cannot undo any actions we took before you told us to stop.

Genetic Information: If we use or disclose PHI for underwriting purposes, we are prohibited from using or disclosing PHI that is genetic information of an individual for such purposes.

Your rights: Under federal law, you have the right to:

- Send us a written request to see or get a copy of certain PHI, or ask that we correct your PHI that you believe is missing or incorrect. If someone else (such as your doctor) gave us the PHI, we will let you know so you can ask him or her to correct it.
- Send us a written request to ask us not to use your PHI for treatment, payment or health care operations activities. We are not required to agree to these requests.
- Give us a verbal or written request to ask us to send your PHI using other means that are reasonable. Also, let us know if you want us to send your PHI to an address other than your home if sending it to your home could place you in danger.
- Send us a written request to ask us for a list of certain disclosures of your PHI.

Call Customer Service at the phone number printed on your identification (ID) card to use any of these rights. Customer Service representatives can give you the address to send the request. They can also give you any forms we have that may help you with this process.

Right to a restriction for services you pay for out of your own pocket: If you pay in full for any medical services out of your own pocket, you have the right to ask for a restriction. The restriction would prevent the use or disclosure of that PHI for treatment, payment or operations reasons. If you or your provider submits a claim to Anthem Blue Cross (Anthem), Anthem does not have to agree to a restriction (see Your Rights section above). If a law requires the disclosure, Anthem does not have to agree to your restriction.

How we protect information: We are dedicated to protecting your PHI, and have set up a number of policies and practices to help make sure your PHI is kept secure. We keep your oral, written and electronic PHI safe using physical, electronic, and procedural means. These safeguards follow federal and state laws. Some of the ways we keep your PHI safe include securing offices that hold PHI, password protecting computers, and locking storage areas and filing cabinets. We require our employees to protect PHI through written policies and procedures. These policies limit access to PHI to only those employees who need the data to do their job. Employees are also required to wear ID badges to keep people who do not belong out of areas where sensitive data is kept. Also, where required by law, our affiliates and nonaffiliates must protect the privacy of data we share in the normal course of business. They are not allowed to give PHI to others without your written OK, except as allowed by law.

Potential impact of other applicable laws: HIPAA (the federal privacy law) generally does not preempt, or override, other laws that give people greater privacy protections. As a result, if any state or federal privacy law requires us to provide you with more privacy protections, then we must also follow that law in addition to HIPAA.

Contacting You: We, including our affiliates or vendors, may call or text any telephone numbers provided by you using an automated telephone dialing system and/or a prerecorded message. Without limitations, these calls may concern treatment options, other health-related benefits and services, enrollment, payment or billing.

Complaints: If you think we have not protected your privacy, you can file a complaint with us. You may also file a complaint with the Office for Civil Rights in the U.S. Department of Health and Human Services. We will not take action against you for filing a complaint.

Contact information: Please call Customer Service at the phone number printed on your ID card. Representatives can help you apply your rights, file a complaint or talk with you about privacy issues.

Copies and changes: You have the right to get a new copy of this notice at any time. Even if you have agreed to get this notice by electronic means, you still have the right to a paper copy. We reserve the right to change this notice. A revised notice will apply to PHI we already have about you, as well as any PHI we may get in the future. We are required by law to follow the privacy notice that is in effect at this time. We may tell you about any changes to our notice in a number of ways. We may tell you about the changes in a member newsletter or post them on our website. We may also mail you a letter that tells you about any changes."

Breast reconstruction surgery benefits: If you ever need a benefit-covered mastectomy, we hope it will give you some peace of mind to know that your benefits comply with the Women’s Health and Cancer Rights Act of 1998, which provides for:

- Reconstruction of the breast(s) that underwent a covered mastectomy.
- Surgery and reconstruction of the other breast to restore a symmetrical appearance.
- Prostheses and coverage for physical complications related to all stages of a covered mastectomy, including lymphedema.

All applicable benefit provisions will apply, including existing deductibles, copayments and/or co-insurance. Contact Customer Service for more information.
