

Pepperdine University 2020-2021 Student Health Insurance Plan

Health Insurance Requirement and Eligibility

IMPORTANT: Proof of Health Insurance is Required on the Malibu campus. All Pepperdine students are required to carry a health insurance plan. Those registered through the Malibu campus are eligible for the Student Health Insurance Plan to meet this requirement. All registered Malibu students will be automatically enrolled in the Pepperdine-sponsored Student Health Insurance Plan (SHIP) unless they choose to submit an online insurance waiver of comparable coverage. Home study, correspondence, internet and television (TV) courses do not fulfill the Eligibility requirement of actively attending classes on campus. Part time Straus Dispute Resolution students (less than 8 units) are also ineligible for SHIP.

Waivers must be submitted each academic year to avoid being charged the SHIP fee.

Eligible students who involuntarily lose coverage under another group insurance plan are also eligible to purchase the SHIP within **30 days** of loss of coverage. These students must provide proof that they have lost insurance through another group (certificate and letter of ineligibility) within 30 days of the qualifying event. The effective date would be the later of the date the student enrolls and pays the premium or the day after prior coverage ends. To be eligible for the SHIP, students must actively attend classes for at least the first **31 days** after the date for which coverage is purchased.

This is for informational purposes only and is neither an offer of coverage nor medical advice. It contains only a partial, general description of plan benefits and programs and does not constitute a contract. Covered medical expenses are subject to plan maximums, limitations, and exclusions as described in the policy. Your plan provides you with a higher level of coverage when you receive covered medical services from physicians who are part of the **Anthem Blue Access** network.

Student Health Center: Malibu Campus students must use the resources of the Student Health Center (SHC) first where treatment will be administered or referral issued. Expenses incurred for medical treatment rendered outside of the SHC for which no prior approval or referral is obtained is excluded from coverage.

The following is a list of benefits that are covered at the SHC only. If you receive these services out of the SHC, they will NOT be covered by your student insurance plan:

- Travel Physical - paid at 100% of Reasonable Charge up to 2 visits maximum per Policy Year
- Allergy Injections (Antigen not provided) - paid at 100% of Reasonable Charge
