

A young man with blonde hair, wearing a dark hoodie, is sitting at a desk and smiling while looking at a laptop. A young woman with long dark hair, wearing a blue t-shirt and denim overalls, is leaning over his shoulder, also smiling and looking at the laptop. The desk has a blue water bottle, a lamp, and some papers. The background shows a dorm room with a bed and a door.

University construction projects such as refurbishment, new construction, or unforeseen repair will cause increased noise in the community. Due to the scope of projects, some construction work may begin during the academic year. Prior to and up to a year after a major construction project, continual work may occur in and around residential areas. We will do our best to mitigate this inconvenience as much as possible. For more information, please visit the [Campus Life Project](#) website.

If you will be selecting housing on behalf of your group, you will place each member in a specific bedspace. Keep in mind that if you have a group of 4, you will need to select a space with sufficient bedspaces for all members of your group.

Individuals will enter the portal and select one bedspace.

If the space does not have enough available bedspaces to house all members of your group, you must go back and select another space. Groups cannot be split on or after selection day as grouping has closed.

On the bedspace page, you will see 4 dropdown menus, one associated with each member of your group.

You will have 3 minutes to assign each person a bedspace. When the timer hits 0:00, you will be sent back out into the room level.

The screenshot displays the Pepperdine Housing and Residence Life application portal. At the top, the header includes the Pepperdine logo and the text "Housing and Residence Life". A navigation bar shows "Home" and "Application". Below this, an "Application Menu" progress bar indicates the user is on step 8 of 10, "Rooms". The menu items are: 1 Welcome, 2 Emergency Contact Details, 3 Housing Accommodation, 4 Lifestyle Questions, 5 Terms & Conditions, 6 Web Profile, 7 Roommate Groups, 8 Rooms (highlighted), 9 Confirmation, and 10 Cancel Application Request. The main content area is titled "Rooms - Room Search Wizard" and shows the user is at "Seaside Hall - Seaside suite K262". A timer indicates "Time remaining for bed selection: 02:56". The user is prompted to "Select the bed you would like to have." and has a dropdown menu for "My Bed" currently set to "- None -". Below this, there are three dropdown menus for selecting beds for each roommate: ".SVRG New21", ".SVRG Returning22", and ".SVRU New23", all currently set to "- None -". A "Reserve Beds" button is located at the bottom of the form. The footer contains links for "Housing and Residence Life", "Accounts", and "Resources", along with a copyright notice: "Housing Portal - © StarRez Inc. 2018".

This section is where you will determine who will be roommates. Once you have assigned a bedspace to every member of your group, click “Reserve Beds” to complete the housing selection process.
