

Vaccine Update

The education sector is now included in the authorized vaccine distribution tiers in Los Angeles County. Employees residing in Los Angeles, Ventura, and Orange Counties are strongly encouraged to make an appointment to receive the COVID-19 vaccine in their county. Additionally, Pepperdine will participate in a Higher Education Vaccine Workgroup with Los Angeles County Public Health officials this evening and will share additional information as it becomes available.

Schedule an Appointment

Below is a list of links and resources to help you locate and schedule a COVID-19 vaccine appointment near you. Vaccine doses are in limited supply, and appointment availability changes frequently.

- California's [MyTurn](#) website is the state's centralized eligibility and appointment website.
- County websites offer additional options for vaccine appointment scheduling:
 - [Los Angeles County](#)
 - [Ventura County](#)
 - [Orange County](#)
- Local pharmacies also have vaccine appointments available:
 - [CVS Pharmacy](#)
 - [Walgreens](#)

What to Bring to Your Appointment

The University understands employees may be asked to provide proof of employment at the time of vaccination in the form of a:

- Pepperdine ID
- Current 2021 pay stub

As you book your appointments, if any additional documentation is requested, please contact [Human Resources](#) for assistance.

Questions

The University will continue to share the latest updates about COVID-19 vaccine distribution planning as more information becomes available. If you have any questions please contact the COVID-19 Information Line at 310.506.8111 or via email at covid19info@pepperdine.edu.
