

Educational Activities

Pepperdine University is neither affiliated with, nor endorses any tutoring assistance program. Human Resources is glad to provide this list of activities as a convenience to faculty and staff members.

Toddlers - Second Grade

- [Pepperdine University Virtual Story Time](#)
 - Virtual readings from Pepperdine's library collection and crafts.
 - Free
- [Storytime Online](#)
 - Children's books are read by known actresses and actors.
 - Free
- [National Geographic Kids](#)
 - Learn about animals, how plastic affects the environments, how things are made, science experiments and more. Kids can watch videos, take quizzes, and read about all of these topics!
 - Free
- [SeaWorld at Home](#)
 - Learn about ocean animals by playing games, coloring, or learning how to do a craft! Fill your time by taking a virtual roller coaster ride or virtually transport to some of the animal exhibits!
 - Free
- [San Diego Zoo Kids](#)
 - Videos, games and activities providing educational content about animals from all over the world!
 - Free
- [Pepperdine ARTSReach](#)
 - The ARTSReach program involves a tour of the Weisman Museum of Arts, backstage tour, a dance break or interactive art experience, and a hands on arts and crafts project. Please submit a participation form to get involved. ARTSReach is free to the students and schools who participate.
 - Free

Third Grade - Eighth Grade

- [SeaWorld: Saving a Species Video Series](#)
 - A series of video clips from 5-30 minutes long. Each one sharing something different and unique about animal conversation.
 - Free
- [iCivics](#)
 - Remote learning games, activities and resources all keeping your child busy and learning for about 30-45 minutes.
 - Free
- [National History Museum](#)
 - Ten video clips of young people shaking up elections and historical recollections. There is a collection of ten five-minute videos sharing these stories.
 - Free
- [Kids In The House](#)
 - Provides educational and entertaining information about the U.S. Government. There are free print out activities too!
 - Free
- [Pepperdine Families Young Adult Bookclub](#)
 - Participants of our Young Adult Book Club will join Pepperdine Libraries for our first-ever Young Adult Book Club. Our goal for the book club is to create an academic but fun environment that gives teens and tweens a voice.
 - Free

Ninth Grade - Twelve Grade

- [Museum of Tolerance](#)
 - Virtual and interactive field trips for students in groups of up to 25-30 students, lasting around 50 minutes.
 - \$150 per student
