

## Navigating Volatile Markets

As market volatility and economic uncertainty caused by COVID-19 persist, we know you may be concerned. You are invited to join a [Zoom Webinar](#) hosted by Pepperdine University's Retirement Plan Investment Consultants, Benefit Financial Services Group (BFSG), to highlight some key reminders for investing in volatile market environments. After registering, you will receive a confirmation email containing information about joining the webinar.

This webinar will review:

- The headlines
- Behavioral finance and market volatility
- The “dos” and “do nots” of investing
- Statistics of investments over time
- How a balanced plan makes a difference
- Available resources to help allocate your assets

### Navigating Volatile Markets

10 AM
