

On-Campus Seasonal Flu Shot Clinics

Given the current COVID-19 environment, maintaining our community's health is more important than ever. Additionally, the [Centers for Disease Control and Prevention \(CDC\)](#) and other regulatory agencies strongly recommend that this fall, everyone 6 months of age or older receive a flu shot. To this end, Pepperdine is pleased to once again provide no-cost flu shots for those who are currently working in-person or living on the Malibu Campus. For those living on campus, families, and dependents may receive flu shots with proper appointments.
