

Pepperdine Headcount Process Change

Dear Colleagues:

Thank you for participating in the daily Pepperdine headcount survey. Your participation and support has been invaluable as the University manages its response to COVID-19. In an effort to reduce the administrative burden on our faculty and staff, Human Resources will implement a new process where campus access is calculated in coordination with the Department of Public Safety and the staff at each campus. Beginning tomorrow, April 1, all University faculty and staff no longer need to fill out the electronic survey.

For today, March 31, please complete the linked form if you were or plan to be physically present at our facilities today. **You do not have to respond to the survey if you did not access a campus, but if you have accessed or will access a campus today, completing this form is required.**

We appreciate your cooperation with this important matter.
