Noon

Thank you to our incredible faculty and staff for your thoughtful and caring response in the midst of the COVID-19 pandemic. Your excellence, professionalism, and heart are what set us apart as a university.

As we move forward together in the face of constant change, we want to take the opportunity to interact with you in a town hall setting to forecast what you can expect in the coming days. During this special online session, you will have the opportunity to learn more about the University's interim telecommuting protocols, critical support personnel staffing arrangements, and how to respond to the changing needs of faculty and staff during this period of transition.

You can participate and submit questions at any time by visiting the [COVID-19 Telecommuting and Human Resources Town Hall page](#). The page is available only to faculty and staff and accessible using your Pepperdine NetworkID and password.
