

Life Balance Month December 2021

When you're a working professional, juggling the demands of your career and personal life may be an ongoing challenge. By setting limits and looking after yourself, you can achieve the work-life balance that's best for you. The boundaries between work and home life used to seem fairly clear. Today, however, maintaining work-life balance is no simple task. Still, balance is possible. (Mayo Clinic, 2020)

❑ Consider the cost of being married to your work:

- If you're not finding time to enjoy life, consider the consequences of poor work-life balance:
 - **Fatigue.** When you're tired, your ability to work productively and think clearly might suffer.
 - **Poor health.** Stress can worsen symptoms related to many medical conditions.
 - **Lost time with loved ones.** If you're working too much, you might miss important family events or milestones, leaving you feeling left out.

❑ Promote more balance in your life:

- Setting limits can leave you with more time for meaningful relationships and activities you enjoy.
- Evaluating your priorities at work and home can help shorten your to-do list.
- Working from home or frequently using technology to connect to work can cause you to feel like you're always on the job, leading to chronic stress.
 - Seek guidance from your manager about expectations for when you can disconnect.

❑ Prioritize caring for yourself:

- A healthy lifestyle is essential to coping with stress and to achieving work-life balance.
 - Eat well, include physical activity in your daily routine and get enough sleep.
 - Regularly set aside time for activities that you enjoy.
 - Develop a support system.
 - Feel empowered to speak to a mental health provider.

❑ Take advantage of University resources this holiday season:

- [Preparing to be with Family Over the Holidays](#) | 12/2 | 10 AM (Webinar)
- [Your Health and Holiday Stress: A Survival Guide](#) | 12/2 | 10 AM (Webinar)
- Attend one of the University's Holiday Receptions and join in community with fellow colleagues.
 - **West L.A. Campus** | 12/13 | 3:00 - 4:30 PM, **Malibu Campus** | 12/14 | 3:30 - 5:00 PM
