

## Life Balance Month December 2021

When you're a working professional, juggling the demands of your career and personal life will be an ongoing challenge. By setting limits and looking after yourself, you can achieve the work-life balance that's best for you. The boundaries between work and home life used to seem fairly clear. Today, however, maintaining work-life balance is no simple task. Still, balance is possible. (Mayo Clinic, 2020)

- Consider the cost of being married to your work:
  - If you're not finding time to enjoy life, consider the consequences of poor work-life balance:
    - o Fatigue. When you're tired, your ability to work productively and think clearly might suffer.
    - o **Poor health**. Stress can worsen symptoms related to many medical conditions.
    - Lost time with loved ones. If you're working too much, you might miss important family
      events or milestones, leaving you feeling left out.
- Promote more balance in your life:
  - Setting limits can leave you with more time for meaningful relationships and the activities you enjoy.
  - Evaluating your priorities at work and home can help shorten your to-do list.
  - Working from home or frequently using technology to connect to work can cause you to feel like you're always on the job, leading to chronic stress.
    - o Seek guidance from your manager about expectations for when you can disconnect.
- Prioritize caring for yourself:
  - A healthy lifestyle is essential to coping with stress and to achieving work-life balance.
    - o Eat well, include physical activity in your daily routine and get enough sleep.
    - o Regularly set aside time for activities that you enjoy.
    - o Develop a support system.
    - o Seek professional help and feel empowered to speak to a mental health provider.
- ☐ Take advantage of University resources this holiday season:
  - Preparing to be with Family Over the Holidays | 12/2 | 10 AM (Webinar)
  - Your Health and Holiday Stress: A Survival Guide | 12/2 | 10 AM (Webinar)
  - Attend one of the University's Holiday Receptions and join in community with fellow colleagues.
    - o West L.A. Campus | 12/13 | 3:00 4:30 PM, Malibu Campus | 12/14 | 3:30 5:00 PM
