ADVANCE ASSIGNMENTS FOR INTENSIVE COURSES AND OBSERVANCE OF RELIGIOUS HOLIDAYS

A class syllabus including any advance reading and/or writing assignments for intensive classes will be emailed to students 3-4 weeks prior to the start of class. Please note that it is each student's responsibility to review the syllabus well before the class begins and complete any advance assignments. Students who show up the first day unprepared risk being dropped from the class.

If a student intends to miss one or more classes for religious observance in an intensive course (i.e., one that runs for a shorter period than a regular semester term), he or she must notify the Academic Dean prior to registering for that intensive course to determine whether such absences would fundamentally alter the nature of the intensive course.
