ADVANCE ASSIGNMENTS FOR INTENSIVE COURSES AND OBSERVANCE OF RELIGIOUS HOLIDAYS
A class syllabus including any advance reading and/or writing assignments for intensive classes will be emailed to students 3-4 weeks prior to the start of class. Please note that it is each student’s responsibility to review the syllabus well before the class begins and complete any advance assignments. Students who show up the first day unprepared risk being dropped from the class.

If a student intends to miss one or more classes for religious observance in an intensive course (i.e., one that runs for a shorter period than a regular semester term), he or she must notify the Academic Dean prior to registering for that intensive course to determine whether such absences would fundamentally alter the nature of the intensive course.

RESCHEDULING EXAMS
While most Straus classes will require a final paper instead of a final exam, it is important for everyone to be aware of the exam rescheduling policy in the event you enroll in one or more classes with a final exam. Students may not petition to reschedule a final exam unless two final exams are to be taken on the same day. Therefore, it is important for you to pay attention to the final exam schedule when you are selecting your courses. Petitions to change one of two exams scheduled for the same day must be filed by the seventh week of classes. For additional details concerning the law school final exam policies go to [http://law.pepperdine.edu/academics/policy/](http://law.pepperdine.edu/academics/policy/).

EXTERNSHIP ENROLLMENT
Students cannot register for externships through WaveNet. All students are required to have their externship placement confirmed with the placement supervisor, and the academic adviser before they can register. Once that is done please email Christopher Shea at christopher.shea@pepperdine.edu to complete the Externship Placement Form. All externships should be completed within the semester registered unless prior permission has been granted for extended time.

LL.M. INDEPENDENT STUDY ENROLLMENT
Students needing to enroll in a required LL.M. Independent Study Project need to speak with Professor Sarah Park prior to enrolling.

NEW COURSES:
Selected Issues in Dispute Resolution: Leadership in Dispute Resolution
Leadership skills are highly sought after in most organizations, communities and other work environments. These skills are pristine companions to dispute resolution competencies developed in other courses at Straus. Key concepts such as leadership, formal and informal authorities, power, influence, followership among others are applied to a practical and coherent theoretical framework of adaptive leadership.

This leadership class examines the dynamics, diagnostics, benefits, constraints, strategic foundation and skills related to a general understanding of leadership and its practice or exercise in the context of Dispute Resolution. The course explores leadership from a theoretical perspective as well as an experiential approach with and without authority, across boundaries and from diverse political and organizational positions. There is an emphasis on learning through simulation exercises and mostly through case consultation deriving from cases and the students’ previous experiences.
