

Spring 2020 Online Programs Course Schedule

Academic Advising: Students should work with their Student Success Advisors to plan their course schedules. Your Student Success Advisor will provide you with the approved course sequence for your program.

Residencies: Please note, enrollment in the Residencies is limited, so it is imperative that you register for these courses prior to the add/drop period for the term. If you do not enroll during the registration period, we cannot guarantee that you will be able to add the class at a later time.

Part-time Students: If you are taking a reduced course load, please work with your Student Advisor to determine a schedule that meets your needs.

All courses are 90 minutes and Pacific Time (PT) unless otherwise noted.
