

## JD Summer 2020 Course Schedule

### Summer Schedule Notes

#### NOTICE: Advance Assignments for Intensive Courses

A class syllabus, including any advanced reading and/or writing assignments for intensive classes will be emailed to students 3-4 weeks prior to the start of class. Please note that it is each student's responsibility to review the syllabus well before the class begins and complete any advance assignments. Students who show up the first day unprepared risk being dropped from the class. If a student intends to miss one or more classes for religious observance in an intensive course (i.e. one that runs for a shorter period than a regular semester term) the student must notify the Academic Dean prior to registering for the course to discuss the feasibility of completing the coursework consistent with missing such classes.

#### NOTICE: Upper Division Courses

Courses offered may be subject to cancellations if there are fewer than 10 students enrolled for the course two weeks prior to the first day of class. Any questions regarding courses should be directed to the Academic Dean. Some changes in the course schedule may be required. Classes will be held on all holidays unless noted below.
