

CONCURRENT JD/MDR STUDENT UNIT ALLOCATION

Concurrent degree students must complete this form each semester that they are enrolled at the School of Law. You must designate, before the end of the add/drop period, for a dispute resolution course whether you desire for that course to count as one for the 14 units that will be included in your Juris Doctor program or alternatively for that course to count as one of the 18 units that will only count toward your Master’s of Dispute Resolution.

This form must be completed before or during the add/drop period of each semester. If an allocation form is not submitted during this time, the default allocation will be applied.
