## **Professional Entertainment and Speaker Guidelines**

Initial planning for any special program using professional speakers or entertainers should begin no later than three months prior to the date of the proposed program.

As soon as the terms of an outside arrangement are agreed upon verbally by the promoter or agent and the activities representative and approval is given by the assistant director of engagement & programs to draw up a contract (four copies). All copies of the contract must then be signed by the University General Counsel via the Office of the Dean. The Office of the Dean will retain one copy, one copy should be filed with the Campus Life Office, and two copies must be sent to the agent or promoter with a deadline date for return. The agent is to sign both copies and return one to the Office of the Dean. A University-issued contract as well as the agent's contract must be signed by both parties for mutual protection. If an agent or promoter does not issue a contract, a University contract must still be signed by both parties.

As soon as the contract(s) is/are signed by both parties, the organization treasurer is to submit a check requisition request via the advisor for the amount of payment to the Office of the Dean. Attach a copy of the contract as backup. All performers or speakers expect to be, and should be, paid immediately following their performance or lecture. If the promoter or agent cancels the arrangements prior to the event, the requisition or check may be voided. In an event of a breach of contract, please contact the Assistant director of engagement & programs as soon as possible.

Make sure that *all* physical arrangements are set. This includes sending a Setup Request Form, which is available in the Office of the Dean, to the Department of Facilities Services. The Setup Request Form should be delivered to the Department of Facility Services no later than 10 working days prior to the event.

Consult with the assistant director of engagement & programs regarding each of the above facets of program planning. Due to the great variety of legal implications inherent in the programming of professional people, it is impossible to be too careful.

## **Financial and Services Request Policies**

### **Channels for Request**

Requests should be submitted from the organization treasurer or president.

### **Check Request**

A payment requisition is used for payment of lecturers, entertainers, certain vendors, etc. The completed request (signatures, receipts, invoice, etc.) must be submitted to the Engagement & Programs Office at least 30 working days prior to the date the check is needed.

### **Petty Cash Form**

The Petty Cash Form is to be used as reimbursement for out-of-pocket emergency expenses not exceeding \$300. Reimbursements cannot be issued without receipts or invoices. Submit the receipts/invoices to the Engagement & Programs Office. A Petty Cash Form will be issued and can be cashed at the Cashier's Office in Thornton Administrative Center (8 a.m. to 3 p.m.).

### **Expense Report**

An expense report is required in order to receive reimbursement for any official organization activities paid through personal funds (i.e., mileage, meals, speaker gifts, etc.). An expense report and receipts must be turned in to the Engagement & Programs Office immediately following any incurred personal expenses. All personal expenses are subject to approval by the Assistant director of engagement & programs and reimbursement is not guaranteed. Expense reimbursement typically takes a minimum of six weeks to process. Any request for reimbursement exceeding 90 days from the date of service will not be accepted.

### **Responsible Use**

Student organization activities that require financial commitment should be budget conscious and within reasonable means. Traditionally expenditures per person have been approximately \$15 per person.

### **Receipts**

Two receipts are required: 1) Itemized receipt indicating number of guests in the party and all items ordered, 2) Credit card receipt with meal tally, tip, and total. All names of attendees must be included in the request for submission as well as those individuals' titles and roles. All receipts and additional documentation for reimbursement should be submitted to the assistant director of engagement and programs.

### **Van Requests**

A shuttle request must be submitted to Business Services (x4561) as soon as the date for a van need is known. There is no guarantee of the van's availability, so the sooner a request is submitted, the better the chances are for reserving one.

## **Advertising Policy**

The Engagement & Programs Office encourages all recognized student organizations to promote their events. The following advertising policy has been adopted in an effort to facilitate the promotion of these events.

### **General Policies**

All advertising must be approved by the manager of marketing and communications. Any advertisement of an upcoming event will not be approved unless an [Events Request Form](#) has been completed and turned in to the Engagement & Programs Office.

### **Email**

Student Organizations will not be granted access to mass School of Public Policy distribution lists, however organizations may be granted access to “directory” information, including individual student email addresses. Organizations may request that their event be published in the bi-weekly *Student Services Newsletter* by contacting the Assistant director of engagement & programs. The newsletter publishes every other Friday during the regular academic year and submissions must be submitted by Tuesday of the week of requested publication.

### **Fines**

A first-time violation of the advertising policy will result in a written warning.

Repeated violations of the advertising policy will result in a \$25 fine per violation being charged to the organization's on-campus account.

Repeated abuse of the advertising policy will result in the loss of advertising privileges.

### **Web Sites/Social Media**

With the exception of Pepperdine Policy Review, the School of Public Policy does not host individual student organization web sites. Should an organization decide to host a site, please contact the assistant director of engagement & programs.

All student organizations with a social media presence (Facebook, Instagram, Twitter, Snap Chat, etc.) are required to submit username and passwords (administrative access) to the Assistant director of engagement & programs to keep on file and recorded for the student organization. Additionally, student organizations will need to make log in credentials available to the manager of marketing and communications, the faculty/staff advisor for the organization, and the Integrated Marketing Communications department at the University upon request. This is to ensure that duplicate social media pages are not created nor updated and also for successive members to have readily available access to the student organization's social media content and online webpages.
