Supervisor's Internship Evaluation Report

Thank you again for taking the time to provide this feedback. The internship is one of the key learning opportunities in the MPP experience at Pepperdine and your comments will help make it more beneficial to employers and students in the years to come.

In order for the students to receive full academic credit for their experience, this report **must be received in the Career Services Office within two weeks of internship completion**. At your convenience, you may submit this form via email to octavia.brown@pepperdine.edu. If you have any questions, please call (310) 506-7488.
