

Buenos Aires Textbooks - Spring 2024 Pepperdine University

Important Note: Students are responsible for purchasing their books before coming to BA. It is imperative that students have all books on the first day of class. It is highly recommended that you purchase your books before arrival and bring them with you to Buenos Aires. Although you can buy them online, delivery is often delayed by customs/import duties and local postal requirements. Please also know that in Argentina, it is against the law to photocopy books.
