

D.C. Plus (D.C.+) 2026-2027 Academic Year Contract

This Contract is between Pepperdine University, a California, non-profit public benefit corporation ("Pepperdine" or "University"), and _____ ("student") for the Fall 2026 semester in _____ and the Spring 2027 semester in _____.

The Washington, D.C. Plus Program ("D.C. Plus Program") is an Academic Year program comprising two semester programs that make up one experience: one semester in Washington, D.C. and one semester in an international location.

Withdrawal or ineligibility from any part of the D.C. Plus Program results in the withdrawal and ineligibility from the entire program (both semesters).

Withdrawal and ineligibility fees (minimum of \$1,000) apply in accordance with Academic Year contracts, as outlined below in the Withdrawal / Ineligibility section of this contract (items 25-27).

In consideration of my voluntary participation in the above International Program ("Program"), I, for myself, my heirs, personal representatives or assignees, agree as follows:

FINANCIAL REQUIREMENTS AND COMMITMENTS

1. **I agree to pay the fees** published by Pepperdine in the Seaver College 2026-2027 Academic Catalog for this Program. I understand that the current published fees are likely to increase. However, if the tuition or food and housing charge increases by more than ten (10) percent over the current published price, I may be released from the terms and conditions of this Contract if I provide written notice to international.programs@pepperdine.edu within 30 days of the publication of the new price. I understand that there are Program-specific costs over and above the International Programs charge that I must pay, including, but not limited to, the fees listed in the Seaver College Catalog (<https://seaver.pepperdine.edu/academics/catalog/>) and on the International Programs website (<https://community.pepperdine.edu/seaver/internationalprograms/resources/costs.htm>).
2. I acknowledge that **I will be billed for a global health fee** for the time I am outside of the United States which provides me with international healthcare services (fees for the 2025-2026 school year are \$420 per semester for abroad locations and \$60 per semester for the DC program; see the International Programs website (<https://community.pepperdine.edu/seaver/internationalprograms/resources/costs.htm>) for updated fees when they become available). According to University policy, all International Programs participants must hold a U.S.-based health insurance plan for the duration of their study away experience in the event that students return to the U.S. for planned or unplanned reasons. I acknowledge that I am responsible for and **must be ready and immediately able to pay for my personal health care costs**. I also understand that I may be required to pay additional local health fees to abide by local laws and/or for required immunizations for my Program. Resources regarding required vaccinations and immunizations are available on the US Department of State website. I am responsible for any and all mandatory health costs.

3. I understand that **I am responsible for arranging any financial aid** to be received during the Program with the individuals, programs, and/or scholarships that contribute to my financial assistance. I have received financial aid advice from my financial aid advisor and am aware of the costs that will be incurred in my Program.
4. I have **discussed the financial responsibilities for the Program with those providing me with financial assistance** (parents/guardians/others).
5. I acknowledge that **I will be responsible for paying all fees and costs associated with early withdrawal and termination of this agreement (minimum of \$1,000), if applicable.** A schedule of fees is detailed below under the Withdrawal/Ineligibility Policy.

PRE-DEPARTURE REQUIREMENTS AND RESPONSIBILITIES

6. I understand that important communication from the International Programs Office will be sent via Pepperdine student email or in the ViaTRM portal. **It is my responsibility to check this email and ViaTRM portal several times per week** and certify that I do not have issues receiving or sending emails from/to International Programs email addresses or @via-trm.com. I understand I should keep notifications from ViaTRM active.
7. **I understand that I cannot book flights** for the Program until I am directed to do so by International Programs. I understand that I am **required to book round trip flights through Pepperdine's chosen travel services company.** I agree to abide by all other International Programs flight policies and procedures in the International Programs Student Handbook and in the International Programs Flight Policies Document: (<https://docs.google.com/document/d/1mTbe0JZZ0k5VMf60yLV3XeGdedKMIxn2VZH5dW8PKQg/edit?usp=sharing>). I understand that I am responsible for any and all travel expenses (i.e., flights, ground transportation, meals, and transfers) if I am removed from my program or if I withdraw mid-semester and need to travel back home. I understand that Pepperdine recommends purchasing travel insurance for my flight and personal belongings.
8. **I am responsible for completing all required study abroad orientation and preparation requirements.** I understand that I am required to attend all orientation sessions, complete all required orientation modules, and attend mandatory meetings such as preparation and visa workshops by the date communicated by the International Programs Office. I am also responsible for providing all required materials to the International Programs Office by the deadlines provided by the International Programs Office. I acknowledge that failure to complete any of these requirements may result in ineligibility, withdrawal fees, and dismissal from the Program.
9. I have created a course plan incorporating my proposed International Programs courses. **I have met with my academic advisor and/or my major advisor and have determined that I am eligible to take 12-18 units for each term of my Program. I am also aware of any applicable prerequisite courses and any required courses** I must take before and during the Program to meet the requirements of my major. I understand that I must be eligible to take at least the 152 level of any language required by my Program. I understand that I am only able to take the courses being offered in the Program and must maintain full-time student status each semester of my Program. I understand that changing my major after signing this agreement does not exempt me from Program requirements. I understand that all courses are subject to change based on course

enrollment and faculty availability in my program. I understand that determining course requirements for graduation is my responsibility.

10. I acknowledge it is my responsibility to **complete a health clearance process**, which includes meeting with a healthcare professional between 45 and 90 days prior to the start of the Program and being cleared to participate in my Program and submitting the Health Clearance Form to International Programs at least 45 days prior to departure. I acknowledge that I will provide the health provider who is reviewing my health clearance form with detailed information regarding my upcoming travel (study location, field trips, and personal trips) and will provide them with accurate and up-to-date personal health information in the health history form.
11. I acknowledge that I am strongly encouraged, but not required, to securely upload a copy of my health history form in ViaTRM. Regardless of whether I upload my health history form, **I give my consent to the University to share my health history for medical or psychological treatment** to healthcare service providers where I am unable, or it is impractical to provide such information for treatment myself. I acknowledge that I will travel with the original copy of my health history form in my Emergency Envelope in the event of a medical emergency.
12. **If I am under the care of a mental health professional or medical provider that is caring for my chronic illness, I have discussed with them my plan to participate in the Program and have determined that such participation is appropriate.** I understand that health services (including psychological services) are available while I study away, but such services may not be sufficient to address my specific healthcare needs. I understand that I am solely responsible for seeking out and paying for additional care that is not covered under Pepperdine's health services plan (for the DC semester, this health services plan is only during the IST).
13. **I am responsible for obtaining and paying for any necessary passport(s)**, which must be valid for at least 6 months after the program return date (or student planned return date if after the program end date), **and/or visa and/or residency permit specific to the host country**. If I am a non-United States passport holder, I am also required to independently obtain and pay for the necessary visas for the host country as well as for the Educational Field Trip locations by the deadline provided by International Programs. I acknowledge that it is also my responsibility to obtain and pay for any necessary visas required for independent travel destinations. I agree to provide electronic copies of my passport and any visas to the International Programs Office by the due dates specified by the International Programs Office. I understand that I may be required to obtain a second passport in order to apply for a visa in the event that my original passport is needed for personal travel, or in the event that I am studying abroad in another International Program at the time my passport is needed to apply for a visa.
14. I hereby **permit a representative from the International Programs office** at Pepperdine University **to appear on my behalf at a consulate or embassy to procure visas** or visa documents for my Program. This representative shall not be liable for any damages or loss that results from a judgment error that was made in good faith. This representative shall not be entitled to any compensation, during my lifetime or upon my death, for any services provided in this capacity. This permission shall be effective from this day until the conclusion of my Program.

RESPONSIBILITIES/COMMITMENTS ONCE IN YOUR STUDY AWAY LOCATION

15. **I agree to abide by all of the laws, rules, and regulations of the Program country** and any countries I visit while attending the Program. I also **agree to abide by all Pepperdine rules and policies** including, but not limited to: my specific program's Program Manual, the International Programs Student Handbook (posted on the IP policies webpage <https://community.pepperdine.edu/seaver/internationalprograms/covid-19-updates.htm>) the Seaver College Catalog (<https://seaver.pepperdine.edu/academics/catalog/>), and the Seaver College Student Code of Conduct (<https://www.pepperdine.edu/communitystandards/handbook/>). My failure to comply with these laws, regulations, rules and policies may result in disciplinary action, up to and including expulsion from Pepperdine.
16. I acknowledge that **it is my responsibility to take every precaution to safeguard my health and personal belongings from damage or theft**. Pepperdine will not be responsible for sickness, damage, or theft. I acknowledge that Pepperdine recommends that I never travel alone, particularly at night.
17. **I agree to abide by all University Travel Policies:** <https://community.pepperdine.edu/hr/policies/policymanual.htm#sec34>. **I agree to enroll all my travel in the U.S. Department of State's Smart Traveler Enrollment Program (STEP)** and monitor the U.S. Department of State website for the latest travel information for Program country and all other countries I plan to travel to prior to my departure and throughout the duration of my stay. I understand that I am responsible for accurately and completely entering my travel information in Pepperdine's travel log system, as required by the University. I understand that failure to accurately and completely fill out the travel log according to the policy set forth in the International Programs Handbook and by the relevant program director may result in disciplinary action against the student.
18. **I hereby give my consent to treatment in the event of a medical emergency**, if at that time I am incapacitated and unable to consent to such treatment. I will be financially responsible for any and all costs of such treatment. I agree that I will not hold the University responsible for any claims resulting from medical treatment or lack thereof.
19. **I hereby consent to International Programs contacting my parent(s), guardian(s), and/or the emergency contact(s) listed in connection with my University records with periodic communications regarding programs for which I have applied or signed a contract**. In the event of an illness, emergency, or if I am missing, I consent to International Programs contacting and releasing medical information and other student information to my parent(s), guardian(s), and/or emergency contact(s). I understand that I am therefore responsible for keeping my emergency contact information accurate and current within my University records.
20. **Pepperdine reserves the right to modify the program for any reason**, including, but not limited to the comfort and protection of its students, or cancel the Program as may be required due to circumstances beyond the control of Pepperdine or to protect the health and safety of Program participants. Pepperdine will not be responsible for the cost of a student's personal leisure travel that is canceled due to modification or cancellation of the Program. This includes the student's personal travel expenses related to a location that is deemed

unsafe by Pepperdine upon review of the U.S. Department of State and/or other travel risk advisories.

ASSUMPTION OF RISK, WAIVER OF LIABILITY, AND INDEMNITY AGREEMENT

- 21. I understand and acknowledge that the Program presents risks to me and my property, and that Pepperdine cannot guarantee my safety or the safety of my property. I understand and agree that the Program activities may be dangerous and may involve risks to personal safety and physical risks which can range from but are not limited to: minor injuries such as scratches, bruises, and sprains to catastrophic injuries, including paralysis and death. I understand and agree that the Program involves international travel and may involve unfamiliar or different terrain, customs, climate, food and drink, laws, social norms, sports practices, rules and regulations, communications, criminal and law enforcement activities, disability access, driving practices and road conditions, premises conditions and/or maintenance. Risks may also include: exposure to disease and virus outbreaks, inadequate health care, natural disasters, acts of God, war, civil unrest, terrorism, kidnapping and assault, physical violence, verbal abuse, sexual abuse, short and/or long term disability, loss of income and/or career and earning opportunities. Nonetheless, I acknowledge that my participation in the Program is voluntary and that I assume all risks, whether known or unknown.**
- 22. To the fullest extent allowed by law, I release, waive, discharge, and covenant not to sue, Pepperdine University, its Board of Regents, employees, agents, attorneys or volunteers (collectively the "University") from all liability to me that may be caused by any act, failure to act or negligence by the University, myself, or any third party, the condition of the Program premises, Program travel, from the unavailability or inadequacy of emergency medical care, and from the use of my name and likeness as discussed in paragraph 24 below. I understand that I am waiving my rights to recover all damages from the University for any physical or mental injury (including death), social and economic loss, and damage to or loss of property, relating to or arising out of my participation in the Program.**
- 23. I agree to indemnify and hold the University harmless from any and all claims, actions, suits, judgments, costs, expenses, damages and liabilities, including attorney's fees, which in any way relate to or arise from my participation in the Program. If the University incurs any of these types of expenses, I agree to reimburse the University.**
- 24.
