

Lausanne Program Textbooks & Materials: Fall 2016

For all classes: Students are responsible for purchasing their books before coming to Lausanne. They can either bring books with them from the States or have books shipped directly to the Lausanne house. If you are planning on ordering on Amazon and having the books shipped directly to Lausanne, **it is much cheaper/more time efficient to order them using www.amazon.co.uk or www.amazon.fr. It is imperative that students have all books on the first day of class.**

For French courses: You are encouraged to order books using www.amazon.fr as the price is lower than buying them in Lausanne.

Used textbooks: We have limited copies of used books in Lausanne (see table below) available on a first come, first served basis. To order these books, please go to our Pepperdine website, under current students to the bookstore page. <http://www.pepperdinelausanne.com/book-store/>
