

Lausanne Program Textbooks & Materials: Spring 2019

For all classes: Students are responsible for purchasing their books before coming to Lausanne. They can either bring books with them from the States or have books shipped directly to the Lausanne house. If you are planning on ordering on Amazon and having the books shipped directly to Lausanne, **it is much cheaper/more time efficient to order them using www.amazon.co.uk or www.amazon.fr. It is imperative that students have all their books on the first day of class.**

Used textbooks: We have limited copies of used books in Lausanne available on a first come, first served basis. To order these books, students are required to purchase them through the program's online bookstore following this link: <https://www.switzerlandprogram.com/book-store> (the bookstore will open on Friday Dec. 14 at 6 p.m. Central European Time)
