

## London Summer Programmes 2017

### Block I and Block II Book Lists

*For some of our classes, we have used copies of textbooks available for you to purchase from the London programme office upon your arrival. We sell these books at a discounted rate, and we will buy them back from you at a lower rate at the end of the semester provided that you have kept them in a good condition.*

*For the classes where the books are not sold in the London office, you are required to source them yourselves. You are welcome to order them online and have them shipped directly to the Pepperdine house to save space in your suitcase. The address is Pepperdine University, 56 Prince's Gate, London, SW7 2PG, England. Please remember to include your name! Shipping charges will be less if you use [www.amazon.co.uk](http://www.amazon.co.uk) although the cost of the book may be more. I would recommend checking both UK and US Amazon. Another good UK-based website for academic books is [www.blackwells.co.uk](http://www.blackwells.co.uk)*
