

DC+ 2021-2022 Academic Year Contract

This Contract is between Pepperdine University, a California, non-profit public benefit corporation ("Pepperdine" or "University"), and _____
("student") for the Fall 2021 semester in _____ and the Spring 2022
semester in _____.

The Washington, D.C. Plus Program ("D.C. Plus Program") is comprised of two semester programs that make up one experience: one semester in Washington, D.C. and one semester in an international location. The D.C. Plus Program is an academic year program.

Withdrawal or ineligibility from any part of the D.C. Plus Program results in the withdrawal and ineligibility from the entire program (both semesters).

Withdrawal and ineligibility fees apply in accordance with Academic Year contracts, as outlined below in the Withdrawal / Ineligibility section of this contract.

In consideration of my voluntary participation in the above International Program ("Program"), I, for myself, my heirs, personal representatives or assignees, agree as follows:

1. I agree to pay the fees published by Pepperdine in the Seaver College 2021-2022 Academic Catalog for this Program. I understand that the current published fees are likely to increase. However, if the tuition or International Programs Charge increases by more than ten (10) percent over the current published price, I may be released from the terms and conditions of this Contract within 30 days of the publication of the new price. I understand that there are Program specific costs over and above the International Programs charge that I must pay, including, but not limited to, the fees listed in the Seaver College Catalog (<https://seaver.pepperdine.edu/academics/catalog/>) and on the International Programs website (<https://community.pepperdine.edu/seaver/internationalprograms/>).
2. I agree to abide by all of the laws, rules, and regulations of the Program country and any countries I visit while attending the Program. I also agree to abide by all Pepperdine rules and policies including, but not limited to, the International Programs Student Handbook, my specific program's Program Manual, the Seaver College Catalog, and the Seaver College Student Code of Conduct. My

DC+ 2021-2022 Academic Year Contract

failure to comply with these laws, regulations, rules and policies may result in disciplinary action, up to and including expulsion from Pepperdine.

3. Pepperdine reserves the right to modify the program for any reason, including, but not limited to the comfort and protection of its students, or cancel the Program as may be required due to circumstances beyond the control of Pepperdine or to protect the health and safety of Program participants. Pepperdine will not be responsible for the cost of a student's personal leisure travel that is cancelled due to modification or cancellation of the Program. This includes student's personal travel expenses related to a location that is deemed not safe by Pepperdine in accordance with the U.S. Department of State and/or other travel risk advisories.
4. I agree to enroll all travel in the U.S. Department of State's Smart Traveler Enrollment Program (STEP) and monitor the U.S. Department of State website for the latest travel information for Program country and all other countries I plan to travel to prior to my departure and throughout the duration of my stay. I understand that I am responsible for accurately and completely filling out the travel log, as required by my Program. I understand that failure to accurately and completely fill out the travel log according to the policy set forth in the International Programs Handbook will result in a sanction against the student.
5. I acknowledge that it is my responsibility to take every precaution to safeguard my health and personal belongings from damage or theft. I acknowledge that Pepperdine recommends that I never travel alone, particularly at night.
6. I acknowledge that I will be billed for a global health fee which provides me with healthcare services outside of the United States. Washington D.C. students are required to secure and be covered by their chosen personal health insurance to manage health needs. I acknowledge that I must be ready to pay for my personal health care costs. I also understand that I may be required to pay additional local health fees for visa purposes or Program requirements, or required vaccinations for my Program. I am responsible for any mandatory health costs.
7. I acknowledge it is my responsibility to complete a Health Clearance Form, which clears me to participate in my Program, between 45 and 90 days prior to the start of the Program, and to submit the Health Clearance Form to International Programs at least 45 days prior to departure.

DC+ 2021-2022 Academic Year Contract

8. I acknowledge that I am strongly encouraged, but not required, to provide my local program director with a copy of my Confidential Health History Form which provides details about my health history. I give my consent to the University to share a copy of my Confidential Health History Form for medical or psychological treatment where I am unable to provide such information for treatment. I acknowledge that I will travel with the original copy of the Confidential Health History Form in my Emergency Envelope in the event of a medical emergency.
9. If I am under the care of a mental health professional, I am strongly encouraged to discuss with them my plan to participate in the Program. I understand that basic counseling services are available at our seven campus locations, but such services, as well as mental health care generally available in the Program country, may not be sufficient to address my specific mental health care needs. I understand that I am solely responsible to pay for additional counseling or psychiatric care that is not covered under Pepperdine's global health services plan.
10. In the event of a medical emergency, I consent to treatment where I am unable to consent to such treatment. I will be financially responsible for any costs of such treatment. I agree that I will not hold the University responsible for any claims resulting from medical treatment.
11. I hereby consent to International Programs contacting my parents, guardians, and/or the emergency contact(s) listed on Wavenet in the event of an illness, emergency, or if I am missing, and to release medical information and other student information to my parents, guardians, and emergency contact. I understand that I am therefore responsible for keeping my emergency contact information accurate and current within my IP application. I understand that the following information may be sent to the emergency contacts I designate in my International Programs application, including: general program information, admissions information, and the term I am studying abroad.
12. I understand that I am responsible for arranging any financial aid to be received during the Program with the individuals, programs and/or scholarships that contribute to my financial assistance. I have received financial aid advising from my financial aid advisor and am aware of the costs that will be incurred in my Program.

DC+ 2021-2022 Academic Year Contract

13. I have discussed the financial responsibilities for the Program with my parents/guardians/others providing me with financial assistance and give consent to International Programs to release a copy of my signed contract and provide detailed program information to all parties providing me with financial assistance.

14. I am responsible for obtaining and paying for the necessary passport, which must be valid for at least 6 months after the program return date (or student-planned return date if after the program end date), and/or visa and/or residency permit specific to the host country. If I am a non-United States passport holder, I am also required to independently obtain and pay for the necessary visas for the host country as well as for the Educational Field Trip locations by the deadline provided by International Programs staff. I acknowledge that it is also my responsibility to obtain and pay for any necessary visas required for independent travel destinations. I agree to provide electronic copies of my passport and any visas to the International Programs Office by the due dates specified by the International Programs Office. I understand that I may be required to obtain a second passport in order to gain a visa in the event that my original passport is needed for personal travel, or in the event that I am studying abroad in another International Program at the time my passport is needed to secure a visa.

15. I am responsible for completing all required study abroad orientation and preparation elements. I understand I am required to attend all required orientation sessions, complete all required orientation modules, and attend mandatory meetings such as preparation and visa workshops by the date communicated by the International Programs Office. I am also responsible for providing all required materials to the International Programs Office by the deadlines provided by the International Programs Office. I acknowledge that failure to complete any of these requirements may result in ineligibility, withdrawal fees, and dismissal from the Program.

16. I have utilized Navigate to create a course plan incorporating my proposed IP courses. I have met with my academic advisor and/or my major advisor and have determined that I am eligible to take 12-18 units for each term of my Program. I am also aware of any applicable prerequisite courses and any required courses I must take during the Program to meet the requirements of my major. I understand that I must be eligible to take at least the 152 level of any language required by my Program. I understand that I am only able to take the courses being offered in the Program and must maintain full-time student status each

DC+ 2021-2022 Academic Year Contract

semester of my Program. I understand that changing my major after signing this agreement does not exempt me from Program requirements.

17. I understand that all official communication from the International Programs Office will be sent via Pepperdine student email. It is my responsibility to check this email regularly and certify that I do not have issues receiving or sending emails from International Programs Office email addresses.

ASSUMPTION OF RISK, WAIVER OF LIABILITY, AND INDEMNITY AGREEMENT

18. I understand and acknowledge that the Program presents risks to me and my property, and that Pepperdine cannot guarantee my safety or the safety of my property. I understand and agree that the Program activities may be dangerous and may involve risks to personal safety and physical risks which can range from but are not limited to: minor injuries such as scratches, bruises, and sprains to catastrophic injuries, including paralysis and death. I understand and agree that the Program involves international travel and may involve unfamiliar or different terrain, customs, climate, food and drink, laws, social norms, sports practices, rules and regulations, communications, criminal and law enforcement activities, disability access, driving practices and road conditions, premises conditions and/or maintenance. Risks may also include: exposure to disease and virus outbreaks, inadequate health care, natural disasters, acts of God, war, civil unrest, terrorism, kidnapping and assault, physical violence, verbal abuse, sexual abuse, short and/or long term disability, loss of income and/or career and earning opportunities. **Nonetheless, I acknowledge that my participation in the Program is voluntary and that I assume all risks, whether known or unknown.**

19. I release, waive, discharge, and covenant not to sue, Pepperdine University, its Board of Regents, employees, agents, or volunteers (collectively the "University") from all liability to me that may be caused by any act, failure to act or negligence by the University, myself, or any third party, the condition of the Program premises, Program travel, from the unavailability or inadequacy of emergency medical care, and from the use of my name and likeness as discussed in paragraph 21 below. I understand that I am waiving my rights to recover all damages from the University for any physical or mental injury (including death), social and economic loss, and damage to or loss of property, relating to or arising out of my participation in the Program.

DC+ 2021-2022 Academic Year Contract

20. I agree to indemnify and hold the University harmless from any and all claims, actions, suits, judgments, costs, expenses, damages and liabilities, including attorney's fees, which in any way relate to or arise from my participation in the Program. If the University incurs any of these types of expenses, I agree to reimburse the University.
21. I hereby authorize the University and its associates or assignees, or anyone acting under its authority or permission, the irrevocable and unrestricted right and permission to: a) record my participation and appearance on a video tape, audio tape, photograph, digital, electronic or any other medium, b) use my name, likeness, voice and biographical material in connection with these recordings and c) use, reproduce, exhibit or distribute in any medium now known or later invented (e.g., print publications, videos, and Internet) these recordings in whole or in part for any purpose that the University, and those acting pursuant to its authority, deem appropriate, including promotional or advertising efforts. I waive any right that I may have to inspect or approve the finished product or products that may be used in connection therewith or the use to which it may be applied. I understand that all such recordings, in whatever medium, shall remain the property of the University and that I am not entitled to any compensation from the University for use of the recordings.

WITHDRAWAL/INELIGIBILITY POLICY

22. In order to withdraw from the Program (regardless if I have withdrawn from Pepperdine through the Registrar's Office), I must complete the International Programs withdrawal process. Should I become ineligible to attend by being placed on academic probation or by having a semester GPA below a 2.0 in any academic session preceding the start of my Program; by being placed on disciplinary probation, suspension, or expulsion; by withdrawing from Pepperdine; by having unresolved restrictions placed on registration for any reason; by failing to complete a course prerequisite and/or language requirements; by failing to enroll in a language course while abroad; by being unable to maintain full-time student status; by failing to obtain on a timely basis the required documents to attend a Program; by not participating in all pre-departure and in-program mandatory orientations and meetings; by failing to register by the deadlines; by failing to obtain all necessary visas; by failing to meet the minimum class attendance requirements; by failing to pass a criminal records check; by exhibiting significant disruptive or disrespectful behavior which may raise concern for my ability to participate as a productive member of an

DC+ 2021-2022 Academic Year Contract

international program community; or because I violate any provision of this agreement, I may be removed from the Program and withdrawal fees will apply.

23. If I am suspended or expelled from Pepperdine while studying with International Programs I understand and acknowledge that I must leave the Pepperdine facility within 24-hours after receiving the suspension or expulsion notice. If I appeal, I understand and acknowledge that I must leave within 24-hours after receiving the appeal decision if my appeal was unsuccessful. I understand that Pepperdine requires verification that my parent or legal guardian has been informed of my university status and departure from the program prior to departing the Pepperdine facility. I understand and acknowledge that this decision may also require me to leave the country immediately due to immigration status.

24. Time frames, for withdrawal purposes, will be determined by the date on which my signed notice of intent to withdraw from the Program, or a notification that I have become ineligible to participate in the Program, is received by the International Programs Office in Malibu. All withdrawal fees will be immediately charged to my student account (an appeal process is available for all withdrawal fees incurred above \$500 and the completed appeal is due to the International Programs Office no later than 45 calendar days after the International Programs Office signed the withdrawal paperwork or when the student became ineligible). Once withdrawal charges are posted, I will have 60 calendar days before finance charges begin to accrue and I understand International Programs is unable to stop or remove finance charges that are posted to a student's account:
 - a. If I withdraw from or become ineligible to attend the Program prior to February 10, 2021, for Academic Year and Fall-only programs, or prior to June 1, 2021 for Spring-only programs, I will not be responsible for any charges associated with the Program other than the non-refundable \$500 withdrawal fee.

If I withdraw from or become ineligible to attend the Program on or after June 1, 2021 for Academic Year and Fall-only programs, or on or after September 1, 2021 for Spring-only programs, I will be responsible for one hundred (100) percent of the International Program Charge as stated in the Seaver College Academic Catalog.
