

## INTERNATIONAL PROGRAMS WASHINGTON DC PLUS CONTRACT

This contract is between Pepperdine University, a California non-profit public benefit corporation ("Pepperdine") and \_\_\_\_\_ ("student") in the Washington D.C. Plus Program, for the **Fall 2017 semester** in \_\_\_\_\_ and the **Spring 2018 semester** in \_\_\_\_\_.

**The Washington DC Plus Program (DC+ Program) is comprised of two semester programs that make up one experience: one semester in Washington D.C. and one semester in an international location. The DC Plus Program is viewed as one year-long program.**

Withdrawal or ineligibility from any part of the DC Plus Program results in the withdrawal and ineligibility from the entire program (both semesters).

Withdrawal and ineligibility fees apply in accordance with Academic Year contracts, as outlined below in the Withdrawal / Ineligibility section of this contract.

In consideration of my voluntary participation in the above International Program ("Program"), I, for myself, my heirs, personal representatives or assignees, agree as follows:

1. I agree to pay the fees published by Pepperdine in the Seaver College 2017-2018 Academic Catalog for this Program. I understand that the current published fees are likely to increase. However, if the tuition or International Programs Charge increases by more than ten (10) percent over the current published price, I may be released from the terms and conditions of this Contract within 30 days of the publication of the new price. I understand that there are Program specific costs over and above the International Programs charge that I must pay, including, but not limited to, the fees listed in the Seaver College Catalog.
2. I agree to abide by all of the laws, rules, and regulations of Pepperdine, the Program country and any countries I visit while attending the Program. Pepperdine rules and regulations include, but are not limited to, the International Programs Student Handbook, my specific program's Program Manual, the Seaver College Catalog, and the Seaver College Student Handbook. My failure to comply with these laws, rules and regulations could result in disciplinary action, up to and including expulsion from Pepperdine.
3. Pepperdine reserves the right to modify the program for any reason, including but not limited to the comfort and protection of its students or cancel the Program as may be required due to circumstances beyond the control of Pepperdine or to protect the health and safety of Program participants. Pepperdine will not be responsible for the cost of a student's personal leisure travel that is cancelled due to modification or cancellation of the Program.
4. I agree to enroll all travel in the U.S. Department of State Smart Traveler Enrollment Program (STEP) and monitor the U.S. State Department website for the latest travel information for Program country and all other countries I plan to travel to. I will check the website prior to my departure to

Program country and monitor it for the duration of my stay. I understand that I am also responsible for accurately and completely filling out the travel log, as required by my program. I understand that failure to accurately and completely fill out the travel log according to the policy set forth in the International Programs Handbook will result in a sanction against the student.

5. I release, waive, discharge, and covenant not to sue, Pepperdine University, its Board of Regents, employees, agents, or volunteers (collectively the "University") from all liability to me that may be caused by any act, failure to act or negligence by the University, myself, or any third party, the condition of the Program premises, Program travel, from the unavailability or inadequacy of emergency medical care, and from the use of my name and likeness as discussed below. I understand that I am waiving my rights to recover all damages from the University for any physical or mental injury (including death), social and economic loss, and damage to or loss of property, relating to or arising out of my participation in the Program.
6. I agree to indemnify and hold the University harmless from any and all claims, actions, suits, judgments, costs, expenses, damages and liabilities, including attorney's fees, which in any way relate to or arise from my participation in the Program. If the University incurs any of these types of expenses, I agree to reimburse the University.
7. I hereby authorize the University and its associates or assignees, or anyone acting under its authority or permission, the irrevocable and unrestricted right and permission to: a) record my participation and appearance on a video tape, audio tape, photograph, digital, electronic or any other medium, b) use my name, likeness, voice and biographical material in connection with these recordings and c) use, reproduce, exhibit or distribute in any medium (e.g., print publications, videos, and Internet) these recordings in whole or in part for any purpose that the University, and those acting pursuant to its authority, deem appropriate, including promotional or advertising efforts. I waive any right that I may have to inspect or approve the finished product or products that may be used in connection therewith or the use to which it may be applied. I understand that all such recordings, in whatever medium, shall remain the property of the University and that I am not entitled to any compensation from the University for use of the recordings.
8. I acknowledge that Pepperdine requires me to secure and be covered by a personal health insurance policy. I understand that it is my responsibility to adjust my current health and dental insurance so that I am covered internationally in all countries that I may travel to. I acknowledge that I must be ready to pay for my personal health care costs. I also understand that I may be required to pay additional local health fees for visa purposes or program requirements, or required vaccinations for my program. I am responsible for any mandatory health costs.
9. I acknowledge it is my responsibility to complete a Health Clearance Form which clears me to participate in my program between 90 and 45 days prior to the start of the program, and to submit the Health Clearance Form to International Programs no later than 45 days prior to departure. A copy of the Confidential Health History Form will be retained by my physician, and I will travel with the original copy in my Emergency Envelope in the event of a medical emergency.

10. If I am under the care of a mental health professional, I will discuss with him/her my plan to participate in the Program. I understand that basic counseling services are available at the Program location, but such services, as well as mental health care generally available in the Program country, may not be sufficient to address my specific mental health care needs.
11. In the event of a medical emergency, I consent to medical treatment where I am unable to consent to such treatment. I will be financially responsible for any costs of such treatment. I agree that I will not hold the University responsible for any claims resulting from medical treatment.
12. I hereby consent to International Programs contacting my parents, guardians, and/or the emergency contact listed on Wavenet in the event of an illness or emergency and to release medical information and other student information to my parents, guardians, and emergency contact. I understand that I am therefore responsible for keeping my emergency contact information accurate and current on Wavenet.
13. I understand that I am responsible for arranging any financial aid to be received during the Program with the individuals, programs and/or scholarships that contribute to my financial assistance. I have received financial aid advising from my financial aid advisor and am aware of the costs that will be incurred in my Program.
14. I have discussed the financial responsibilities for the Program with my parents/guardians/others providing me with financial assistance and give consent to International Programs to release a copy of my signed contract and provide detailed program information to all parties providing me with financial assistance.
15. I am responsible for obtaining and paying for the necessary passport, which must be valid for at least 6 months after the program return date (or student-planned return date if after the program end date), and/or visa and/or residency permit specific to the host country. If I am a Non-United States citizen, I am also required to independently obtain and pay for the necessary visas for the host country as well as for the Educational Field Trip locations by the deadline provided by International Programs. I acknowledge that it is also my responsibility to obtain and pay for any necessary visas required for independent travel destinations. I agree to provide electronic copies of my passport and any visas to the International Programs Office by the due dates specified by the International Programs Office.
16. I am responsible for attending all required orientation sessions including the all day orientation on Saturday, April 1, 2017 as well as any other mandatory meetings such as visa workshops. I am also responsible for providing all required materials to the International Programs Office by the deadlines provided by the International Programs Office. I acknowledge that failure to complete any of these requirements can result in ineligibility, withdrawal fees and dismissal from the program.
17. I have received academic advising from my academic and/or major advisor(s) and am aware of how the courses in this program fit into my four year plan. I am aware of any applicable

prerequisite courses, including language, and any required courses during the program. I understand that I am only able to take the courses being offered in the Program and must maintain full-time student status each semester of my program (12-18 units). I understand that changing my major after signing this agreement does not exempt me from Program requirements.

18. I understand that all official communication from the International Programs office will be sent via Pepperdine student e-mail. It is my responsibility to check this e-mail regularly and certify that I do not have issues receiving or sending e-mails from this address.
  
19. I understand and acknowledge that the Program presents risks to me and my property, and that Pepperdine cannot guarantee my safety. I understand and agree that the Program activities may be dangerous and may involve risks to personal safety and physical risks which can range from (but are not limited to): minor injuries such as scratches, bruises, and sprains to catastrophic injuries, including paralysis and death. I understand and agree that the Program involves international travel and may involve unfamiliar or different terrain, customs, climate, food and drink, laws, social norms, sports practices, rules and regulations, communications, criminal and law enforcement activities, disability access, driving practices and road conditions, premises conditions and/or maintenance. Risks may also include: disease, inadequate health care, natural disasters, acts of God, war, civil unrest, terrorism, kidnapping and assault, physical violence, verbal abuse, sexual abuse, short and/or long term disability, loss of income and/or career and earning opportunities.
  - A. I am responsible for researching and evaluating the risks I may face and am also responsible for my actions. Any activities that I may take part in, whether as a component of the Program or separate from it, will be considered to have been undertaken with my approval and understanding of any and all risks involved. This includes, but is not limited to, risks associated with the consumption of alcoholic beverages and/or drugs or other intoxicants, property loss, injury to person or property, or death arising out of traffic accidents, assault, and theft or other activities.
  
  - B. I acknowledge that it is my responsibility to take every precaution to safeguard my health and personal belongings from damage or theft. I acknowledge that Pepperdine recommends that I never travel alone, particularly at night.
  
  - C. It is my intention that this assumption of all risks shall be legally binding and a complete bar to me, my heirs, representatives, personal representatives, relatives and assigns from asserting any claims or demands, or pursuing any legal actions, that I, my heirs, assigns, or legal representatives have or may have for injuries to person or property, including death, as a result of activities for which I have assumed risks.
  
  - D. I understand that this assumption of risk applies to all activities arising out of, associated with or resulting directly or indirectly from my participation in the Program and/or residing and traveling outside of the United States, including but not limited to those risks listed above.

- E. I further recognize, understand and agree that Pepperdine does not assume responsibility for any liability as regards damage or injury that may be caused by my negligence or willful acts committed prior to, during or after participation in the Program, or any liability, damage or injury caused by others, including other participants. I agree that Pepperdine shall not be subject to claims or suit to be made by or on behalf of me or my heirs, representatives or assigns as a consequence of my participation in the Program.

## FLIGHT CONTRACT

**Please read the following, which applies to your flights to Washington D.C. and to your abroad location, and make your selection for both flights below.**

### GROUP FLIGHTS:

1. For my flight to Washington D.C., Pepperdine University will pay the flight costs on behalf of DC+ students. As a result, my IP Fee for the Fall semester will be reduced by \$500. If I do not show up for the group departure at LAX, I will be responsible for the cost of the flight(s) purchased on my behalf. Should I withdraw or become ineligible to attend the Program, I am responsible for the cost of the flight(s) purchased on my behalf. Flight costs to Washington D.C. typically range from \$500 - \$1,000 and will be charged to my student account.
2. For my flight abroad, if I am on the group flight, the cost of \$1,220 will be included in my IP Fee on my student account. If I do not show up for the group departure at LAX, both segments of my round trip ticket will be forfeited and no refund will be issued. Should I withdraw or become ineligible to attend the Program, I am responsible for the cost of the flight(s) purchased on my behalf.
3. I understand I will only receive one ticket to depart from and return to LAX on the group flight, without exception, per semester.
4. I understand that airport routing changes can never be made on group tickets. Changes to extend the return date might be possible through Corniche Travel, Pepperdine's travel provider. However, any deviation from the ticketed itinerary will be at the student's own cost, and will include both change fees and potential fare differences.

### THOSE EXEMPT FROM GROUP FLIGHTS:

1. For my flight to Washington D.C., Pepperdine University will pay the flight costs on behalf of DC+ students. If I choose to be exempt from this group flight, I will receive this in the form of a \$500 scholarship on my student account.
2. For my flight abroad, if I am exempt from the group flight, my IP fee will be reduced by \$1,220.
3. I must submit my confirmed flight itinerary to the International Programs Office no later than 45 days prior to program departure.
4. I will arrange my own transportation to/from the airport and to/from the program facility.
5. I understand there are no provisions for early arrival and agree to arrive on the same day as the group flight and check into program facilities during 9am-1pm local time.
