

January 2021

# FLORENCE NEWSLETTER

## *What's Coming*

Happy New Year! I hope you all had a great break and/or January term and you're ready for the spring semester. As you all know, we started small groups last month and we would love to hear about your experience so far and what you would like to do in small groups in the future! Please fill out **THIS FORM** (even if you didn't meet) and email me if you have any questions!

## *Cultural Spotlight*

**This article** is all about New Year's traditions in Florence. One of these traditions is the Procession of the Magi on January 6th in which "the procession, an array of characters dressed in Renaissance attire accompanying the Three Kings, begins in the main piazza of Pitti Palace and concludes in front of the Florence Cathedral, where a nativity scene is set up for the occasion." It is truly a very unique tradition that dates back to the Medici family as almost everything in Florence does!
