EXPLORE WITH A PURPOSE!

Develop goals for yourself:

- Get in groups of 3-4 people and share your initial ideas about goals for 1-2 developmental areas and what potential mechanisms are there to help you achieve your goals. (5 minutes total for activity)
- Take 5 minutes to draft at least 3 goals for yourself and create an accountability mechanism and write them down on your orientation sheet (5 minutes)

STAY CONNECTED

share your adventures.

HOW DID WE DO?

- Check your e-mail now and take the IP Orientation Survey and Orientation Quiz
- You can leave orientation once you show the orientation student leader your 100% score and the submission page at end of survey on your smartphone or computer
