1. What is Kronos?

Kronos timekeeper is a web-based time and attendance system that helps ensure accurate recording of your time worked.

After reading the following information, you will be able to log into the system, enter time worked, enter absences, transfer from one job to another, review and approve your timecard.

2. Accessing Kronos

Using Internet Explorer, go to <https://mytime.pepperdine.edu>. Save this link in your favorites for future use. Use the same username and password that you use to login to your computer (your network ID).

Kronos can also be accessed by signing into Wavenet and clicking the **Timesheet** link at the top.

3. Navigate Through the System

Never use your Internet Explorer browser buttons to navigate through the system. Instead, use the navigation buttons within Kronos. Always remember to hit **Save** to save your work. Your session will time out after a certain period of inactivity, so remember to logout properly when you are finished.

4. Record Time - Clock in by Record Time Stamp

Login to Kronos.

Record Time Stamp view will appear for the current pay period.

Click on **Record Time Stamp**.

After you click on **Record Time Stamp** the system will automatically log you off.

5. Transfers - If you work more than one job on campus:

Transfer codes are used to distinguish between multiple jobs. You must clock out of one job before transferring to another job.

You will need to select the correct job from the **Transfer** drop-down list for your secondary job.

If the job doesn't appear in the list, click on Search to select it.

In the Select Transfer window that opens, the job accounts are listed.

Click the plus sign (+) next to each applicable sequence (pep/dept. #/pay group/job code/ID #) in the hierarchy until you locate your ID number with a blank box next to it. Click in the box to select it, click **OK** and save your work.

Note: Employees with multiple jobs worked on the same day need to enter a transfer for each job.

6. Record Time - Clock Out by Record Time Stamp

Login to Kronos and click **Record Time Stamp**.

The system will automatically log you out.

You DO NOT need to use a transfer when clocking out.

7. Record Time – by My Timecard

Click on MY INFORMATION and then My Timecard located on the Navigation Bar in the upper left.

My Timecard view will appear.

To enter your hours, simply complete the columns indicated below (In/Out/In/Out).

Be sure to select a **Transfer** for a secondary job. **Employees with multiple jobs worked on the same day need to enter a transfer for each job.**

*See **Transfer** instructions above (#5).

IMPORTANT NOTE: When entering time, Kronos defaults to AM unless otherwise specified except for the time range of 12 Noon to 12:59. This time range is always considered PM. To type 5:00PM, you could either enter military time (17) or type in “5p.”
